## PREFACE

I greet all the readers in the name of Jesus Christ who is all the fullness of the Godhead.

Dear ones, the questions that perplexed man's mind, the most, from the very beginning were **'Is there a God or not?'**, **'If there is one, who is He?'** and **'How does He interact with us?'**

Many religions were conceived in this world during different periods as a result of man's quest for God. These religions still have followers and they continue to perform the rituals needed to sustain these religions.

However, this book succeeds where others have not. It scientifically proves the Godhead (Deity) by answering the questions **'Who is God?'**, **'What is God?'** and **'How does God interact with us?'**, through the Holy Bible, which clearly explains matters such as God, creation of the universe, origin of man, family, clan, race, society, nation, development of the human race, morality, Satan, sin, destruction, punishment, death, eternity, and so on...

Dear ones, the science of the Godhead that is taught in this book is a science that has not been explained

by anyone after the apostolic period. I have toiled hard for the past seventeen years in the Christian ministry, by the ordination from the Spirit, for this science to take form in this manner. This gave way to the composition of this book which began on 28.10.2001.

It has been almost eight years since this science has taken form. This subject has been discussed many times by people of different classes and a good number of them have accepted this subject and some of them have objected and left as well. However, many who had objected have returned to this teaching after one or two years and the rest are also following suit. Some are studying the Bible according to this theory and some have started teaching this subject as well. Some churches and Bible schools are also among them. It was after witnessing all these incidents that I decided to publish Septinity.

Since Septinity – The Science of the Godhead is an exhaustive and an extensive subject and because of the limitations of the language of man **denotations, charts, tables, mathematics, illustrations, footnotes** and a **sign** have been included in the presentation of this book.

Since this book is written scientifically, it is not to be read with the attitude of a simpleton or an onlooker; reading only the first half or the parts which you feel is relevant, or just flipping through the pages, wherein which you will understand nothing. I would strongly suggest you study each and every page of this book with all your concentration just as a student would study his relevant subject. Only then will you be able to understand it completely.

This book is purely a research material and the facts mentioned in this book are not meant to hurt any individual. At the same time, this subject is not written to support any church, race or country.

This science of the Godhead is useful for man's **mental, physical, spiritual, cultural, social** and **political** areas, i.e., anyone who practices the interaction based on the six spiritual qualities of the Godhead will attain the highest standards in life.

I had to undergo a lot of pain to do all this as the enemy tried to destroy my finances, my family and my health in indescribable ways to prevent me from writing this truth. Apart from all this, the enemy even tried to end my life. But Lord Jesus Christ stood by me and helped me complete this work.

So, I encourage you and your family in the name of Jesus Christ – the Name of the Godhead, to spread this truth to as many people you can and become partners in this mission.

I have given my best to impart this truth to you and this book is proof enough of this. So, I implore the reader to point out any flaws in the composition of this book. I have added some more matter into the book taking into consideration the various suggestions and instructions put forward by many students. Henceforth, I bring you the revised edition.

I give all the respect and glory to Jesus Christ – the fullness of the Godhead, who has ordained me to reveal Septinity – The Science of the Godhead to the world. I pray that this book will be the greatest asset to man, and I submit this book unto the feet of Jesus Christ, the Lord of the universe. Amen.

## FOREWORD

I greet all the readers of this book in the name of Jesus Christ.

I was given the opportunity to read Septinity – The Science of the Godhead, and I wish to share some of the things I understood from this book.

It is quite evident that the author had spent years to research the Bible and practice the gift of accurate revelation and its application in his environment. He has succeeded in expressing everything he has to say, scientifically yet artistically. This book reaches out to the Christian society, the students of the Bible and to the rest of the world. It is understood that this book is also an asset for this generation.

We all know that no one has scientifically answered the questions ‘Who is God?’, ‘What is God?’ and ‘How does God interact with man?’. However, this book has succeeded where the rest have failed. There is no doubt that it opens the door to a revolution in the world.

The advent of this book makes sure that there is no more need for any other Christian literature in this world. I say this boldly because it comprises all the realms of life, from eternity to eternity, set in perfect

order, so that all generations can live a highly evolved and a peaceful life. The formula **7(a1~~20000~~a2)**, formulated for the explanation of this subject, enables everyone to decipher all the verses of the Bible. The author's discovery of the explanation of the biblical verses using this formula is proof enough for this.

I can assure you that this book is the key to the Holy Bible. You will also understand this after studying the book completely.

If the students are able to attain the novel concept of the interaction based on the spiritual qualities, which is a main attraction of this book, they will regain the art of perfect interaction lost by man once. This knowledge of character development will guide him throughout his life and lead him to eternity. It will also strengthen his image and authority through Christ.

Also, this book makes us realize the importance of counselling in society. It imparts this responsibility to the Christian ministers. Considering the need for counselling in society, the author has introduced 'The Counselling based on the Spiritual Qualities' in this book. This is a boon for everybody.

The author has explained Septinty's disposition towards every realm very beautifully, and because of

this he has succeeded in bringing all the subjects needed for the Christian world under one umbrella.

Great men have recorded their concepts and deeds as golden words and because of this, they still guide the people of the world today. In the same manner, there is no question that the author's innovative and distinct outlook portrayed in this book will be a way of life for all generations and the seekers of the truth who love the Word. It motivates you and it takes your mind to another level imparting freedom in all spheres.

The author is a pure intellectual, a teacher, an orator, a co-ordinator, a counselor, a public figure, and above all, he is a saint who has sacrificed a great deal and beaten all odds to establish the Godhead on earth, and is still fighting boldly in the battlefield.

I am sure that even if time passes by, the author's great concept - Septinity, and the author, will remain forever. I congratulate him and pray that the Almighty will reward him in abundance and honour him for all his works.

## UNDERSTANDING THE SCIENCE

In order to make the study of Septinity simple, it has been divided into three parts, namely, Parts **A**, **B** and **C**.

In **Part A**, Septinity is proven in compliance with the Word. **Part A** and **B** are interrelated, i.e., the study of the Godhead which begins in **Part A** ends in **B**. At the same time, **Part C** imparts the knowledge to be a counselor which should be studied along with this.

### PART A

#### SEPTINITY (THE GODHEAD)

**‘Septinity’** - The Science of the Godhead is not to be read like any other book. It is a life-style that is to be practiced by the reader, so that by studying and experiencing it personally, you will attain eternal life.

This subject is a very arduous and an inscrutable subject to comprehend. So, the reader should have

extraordinary intelligence, which can be attained only by the ordination from the Spirit, to comprehend and experience this Godhead.

However, if the students compare and study this book with the Bible prayerfully, you can also comprehend what I have written by the ordination from the Spirit. When this subject is juxtaposed with the Bible and studied in this manner, the Godhead, i.e., **who God is, what God is** and **how God interacts with us**, will be made scientifically clear to you through this book.

In order to understand this, it would be good if we look at some of the verses that speak of the Godhead.

*“Forasmuch then as we are the offspring of God, we ought not to think that the **Godhead** is like unto gold, or silver, or stone, graven by art and man’s device”*

(Acts 17:29)

K.J.V

*“For in him dwelleth all the fullness of the **Godhead** bodily”*

(Colossians 2:9)

K.J.V

**Note:**

The word ‘Godhead’ (*Deity/Theotes*) that is documented in the English verses above cannot

be found in Malayalam. When the English Bible was translated to Malayalam the word 'Godhead' was shortened to 'God'. So when these verses were translated to Malayalam it turned out to be-

*“Forasmuch then as we are the offspring of God, we ought not to think that **God** is like unto gold, or silver, or stone, graven by art and man’s device”*

(Acts 17:29)

*“For in him dwelleth all the fullness of **God** bodily”*

(Colossians 2:9)

Dear ones, this type of error is not found only in the Malayalam translation but also in many other translations as well. The basic reason for this flaw is because Satan covered up the correct doctrine of the Godhead after the apostolic period (2 Corinthians 4:6).

*“Whose minds the god of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.”*

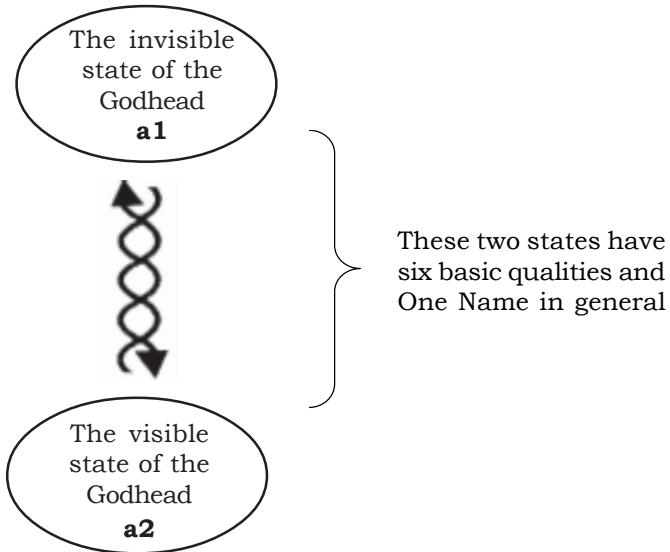

(2 Corinthians 4:4)

## WHAT IS THE GODHEAD?

**The word Godhead is used to express the state in which God presents Himself in fullness for the salvation of mankind.**

### A Detailed Study:

The Godhead has two states, which are the **invisible state (a1)** and the **visible state (a2)** and these are like the two sides of one coin ( **$1 = a1 + a2$** ). The relationship between these two states is their mutual existence within **the Name**, with the six basic spiritual qualities (**6**). This is shown in the diagram below.

The Godhead that exists in this manner is revealed in the number seven, i.e., the two states, invisible and visible ( $1=a1+a2$ ) (that exist like the two sides of one coin), together with the mutually related six basic spiritual qualities (**6**), which are **might, wisdom, understanding, reverence, knowledge** and **counsel**, add up to be revealed in the number seven ( $6+1=7$ ) which represents fullness.

**Note:** The alphabets **a, b, c, d, e** and **f** are used here to denote the six (6) basic spiritual qualities in the Godhead to facilitate the furtherance of the study of this subject. The alphabet **a** is denoted to **might**, **b** to **wisdom**, **c** to **understanding**, **d** to **reverence**, **e** to **knowledge** and **f** to **counsel**.

## UNDERSTANDING THE WORD

### Attention:

Only those who have the gift to discern the **Symbolic-Commandments** and the **Symbolic-Exemplary Verses** by the ordination from the Spirit, can understand this Godhead that is revealed in the number seven, on the basis of the Holy Bible.

*“Now an angel of the Lord spoke to Philip, saying, “Arise and go toward the south along the road which goes down from Jerusalem to Gaza.” This is desert.*

*So he arose and went. And behold, a man of Ethiopia, a eunuch of great authority under Candace the queen of the Ethiopians, who had charge of all her treasury, and had come to Jerusalem to worship,*

*was returning. And sitting in his chariot, he was reading Isaiah the prophet.*

*Then the Spirit said to Philip, "Go near and overtake this chariot."*

*So Philip ran to him, and heard him reading the prophet Isaiah, and said, "Do you understand what you are reading?"*

*And he said, "How can I, unless someone guides me?" And he asked Philip to come up and sit with him."*

(Acts of the Apostles 8:26-31)

### **Symbolic-Commandments**

Example 1: *"If I then, your Lord and Master, have washed your feet; you also ought to wash one another's feet.*

*For I have given you an example, that you should do as I have done to you".*

(John 13:14, 15)

Example 2: *"The Lord said to my Lord, Sit at my right hand, till I make Your enemies Your footstool?"*

(Matthew 22:44)

Example 3: *“A new commandment I give to you, that you love one another; as I have loved you, that you also love one another”.*

(John 13:34)

**These commandments are also exemplary in nature.**

### **Symbolic-Exemplary Verses**

Example 1:

*“For to this you were called, because Christ also suffered for us, leaving us an example, that you should follow His steps:”*

(1 Peter 2:21)

Example 2:

*Then said Jesus, “Father, forgive them; for they do not know what they do.” And they divided His garments and cast lots.*

(Luke 23:34)

Example 3:

*“I am the good shepherd. The good shepherd gives His life for the sheep”.*

(John 10:11)

**These exemplary verses are also commanding in nature.**

**“Thus all of Christ’s examples are His commandments and all His commandments are His examples”.**

*“All these things Jesus spoke to the multitude in parables; and without a parable He did not speak to them,”*

(Matthew 13:34)

**Note:** The reason biblical teachings which don’t comply with our understanding (Romans 1:20), i.e., doctrines which are of no use to man originated in the Christian world, because the teachers of the Bible could not comprehend the classification of such symbolic verses by the ordination from the Spirit.

*“And He opened their understanding, that they might comprehend the Scriptures.”*

(Luke 24:45)

## **THE GODHEAD AND RELATED SUBJECTS IN THE NUMBER SEVEN**

In the Science of the Godhead the number seven (7) represents fullness. In Hebrew, the number seven is known as ‘Sheba’ [Strong’s # H7651; *sheh-bah*]. The word Sheba originates from the word ‘Shaba’ [Strong’s # H7650; *shaw-bah*]. Shaba means fullness or

completion; this is the reason the number seven is considered to represent fullness or completion. You can observe this fact throughout the Bible.

Some of the Sevens in the Book of Revelation		Some of the Sevens that are found in the other parts of the Bible	
1.	Seven letters to the seven Churches	1.	God sanctified the seventh day
2.	Seven seals.	2.	A week consists of seven days.
3.	Seven trumpets	3.	The Sabbath, which is God's creation, is on the seventh day.
4.	Seven destructions	4.	The Passover feast is observed for seven days.
5.	Seven golden lamps	5.	The feast of the Tabernacle is observed for seven days.
6.	Seven stars.	6.	The seven locks of hair on Samson's head.
7.	Seven angels.	7.	Naaman dipped himself in the river Jordan seven times and his leprosy was healed.
8.	Seven spirits.	8.	The Son of the Shunammite woman rose from the dead, sneezing seven times.
9.	The Lamb that has seven horns and seven eyes.		
10.	Seven lights.		
11.	Seven thunders.		
12.	Seven spirits of God		

Even though there are other numbers, the reason the Godhead and related subjects are not revealed in them is because **God Himself has found the number seven to represent fullness.** The student should remember one thing; all the subjects related to the Godhead are complete just as the Godhead is. In Greek, the word 'pleroma' is used for the word

‘fullness’. The meaning of this word is - *repletion or completion, i.e., (subjectively) what fills (as contents, supplement, copiousness, multitude), or (objectively) what is filled (as container, performance, period) :- which is put in to fill up, piece that filled up, fulfilling, full, fullness* [Strong’s Concordance]

If we understand the meaning of the words **fullness, completion, repletion, copiousness, enough**, etc. in the correct sense, we can see that these words denote measurement. That means, those who use these words are required to say ‘**how full it is**’ by expressing the measurement in numbers. It’s not just this, they are also required to say what it is and from where it is.

Dear ones, there are a lot of topics in the Bible that support this Godhead, which exists in the number seven, and if I were to spot each and every one I will have to write a very long book for this. There is not much room for this here. So, let us get back to our original discussion.

Jehovah called Moses, His servant, to reveal the scientific aspect of His Godhead to him on the seventh day. This is shown in the verse given below.

*“Now the glory of the Lord rested on Mount Sinai, and the cloud covered it six days. And on the seventh day He called to Moses out of the midst of the cloud.”*

(Exodus 24:16)

**Not only Moses, but all the saints in the Holy Bible knew by the ordination from the Spirit that the Godhead exists in the number seven (7) and everyone was able to work in compliance with this fact. What we have seen in the last table is proof of this.**

As for the Sabbathists, who say that the Sabbath is on the seventh day and who firmly believe that it should be implemented, it is time for them to study the Godhead that exists in the number seven (which represents fullness).

Dear ones, only after studying the Bible for several years, by the grace and ordination from the Spirit, am I able to explain this Godhead to you scientifically.

## **THE DETAILED SCIENTIFIC STUDY OF THE MANIFESTATION OF THE GODHEAD IN THE NUMBER SEVEN**

We have seen that the Godhead, which exists like the two sides of one coin, is revealed in the number seven ( $6+1=7$ ). Now, let us divide and study this Godhead ( $1=a_1+a_2$ ) in accordance with the Word of God.

When the Godhead is divided, on one side we get the invisible state and on the other side we get the

visible state. The symbol ‘**a1**’ is denoted to **the invisible state** and the symbol ‘**a2**’ is denoted to **the visible state**, just as the alphabets **a, b, c, d, e** and **f** were denoted to the six basic spiritual qualities.

Even though there are a lot of verses in the Bible that represent ‘**a1**’ and ‘**a2**’, two verses from them, “**God is Spirit**” (John 4:24) and “**The Lord is Spirit**” (2Corinthians 3:17), that are exactly the same in meaning, are placed beside the number seven, which represents the fullness of the Godhead, and is given below for the scientific explanation of this subject.

The number that represents the fullness of the Godhead

### **God is Spirit (a1)**

“God is Spirit, and those who worship Him must worship in spirit and truth”.

(John 4:24)

### **The Lord is Spirit (a2)**

“Now the Lord is the Spirit; and where the Spirit of the Lord is, there is liberty”.

(2 Corinthians 3:17)

We have seen that God is Spirit (**a1**). If that is so, here, God is **invisible**. It is for the essence of this invisible state to be made understandable to us,

‘Invisible God’ took the form of a man as ‘Lord’ (a2). When He took the form of a man, He became **visible** to us. This visible state is Spirit without sin.

**This change of state is only with relation to man.** Observe the verses given below as evidence for this.

*“Inasmuch then as the children have partaken of flesh and blood, He Himself likewise shared in the same; ...”*

(Hebrews 2:14a)

*“That which is born of the flesh is flesh, and that which is born of the Spirit is spirit.”*

(John 3:6)

*“But while he thought about these things, behold, an angel of the Lord appeared to him in a dream, saying, “Joseph, son of David, do not be afraid to take you Mary your wife, for that which is conceived in her is of the Holy Spirit”.*

(Matthew 1:20)

*“Who, being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a servant, and coming in the likeness of man*

*And being found in appearance as a man, He humbled himself and became obedient to the point of death, even the death of the cross”.*

(Philippians 2:6-8)

*“He is the image of the invisible God, the firstborn over all creation.”*

(Colossians 1:15)

**Note:** “Inasmuch then as the children have partaken of flesh and blood, He Himself (**a1**) likewise shared in the same, by taking the form of man(**a2**) (Hebrew 2:14). If we go a little deeper, we will understand that it is to walk every man in the will of the invisible God (**a1**), or to transform them into His dear children, **He became the good example (a2) for everyone.**

To prove that **a1** and **a2** exist in the number seven (7), three verses from the Holy Bible are analyzed and given below. They are Isaiah 11:1, 2; Revelation 1:4, 5 and Revelation 5:6

## THE INVISIBLE SEVEN SPIRITS OF GOD WILL BE VISIBLE

The number that represents the fullness of the Godhead

*“There shall come forth a Rod from the stem of Jesse, and a Branch shall grow out of his roots:*

*And the Spirit of the Lord shall rest upon Him, the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and of the fear of the Lord.”*

(Isaiah 11:1, 2)

**Explanation:**

Here, it means that the Spirit of Jehovah or the six qualities of **a1** will rest upon Jesus who will be visible (**a2**) and Whom the prophet has symbolized as the Branch.

**To be concise, it means that the Spirit will reveal itself with its six basic qualities. This is the fullness of the Godhead.**

**Note:** The word ‘fear (yir’a^h)’ in Isaiah 11:2 represents ‘reverence’ according to the Hebrew Dictionary. [Strong’s Exhaustive Concordance, Hebrew, Reference 3374, page 59]

The spiritual quality ‘reverence’ is documented as ‘the fear of the Lord’ because this prophetic verse belongs to the symbolic-exemplary class and **not because it represents another ‘person’**.

Here, the student should always remember one fact; **it was Christ’s spirit or Jehovah’s spirit that also worked in the Old Testament period.** This mystery was also revealed to the Apostle Peter. See the verse given below.

*“Of this salvation the prophets have inquired and searched diligently, who prophesied of the grace that would come unto you:*

*searching what or what manner of time, the Spirit of Christ who was in them was indicating when He testified beforehand the sufferings of Christ and the glories that would follow”.*

(1Peter 1:10, 11)

*“Blessed are you when they revile and persecute you, and say all kinds of evil against you falsely for My sake.*

*Rejoice and be exceedingly glad, for great is your reward in heaven, for so they persecuted the prophets who were before you.”*

(Matthew 5:11-12)

**Note:** The prophets, both in the old testament period and in the new testament period, prophesied on the basis of the science of the Godhead.

## **THE MEANING OF THE NAME OF JESUS**

God revealed His Name to Moses as Yah-weh or YHWH in Hebrew. In the Hebrew translation of the Bible, this word is documented 6855 times. *“Moreover God said to Moses, “Thus you shall say to the children of Israel: ‘The Lord God of your fathers, the God of Abraham, the God of Isaac, and the God of Jacob, has sent me to you. This is My name forever, and this is My memorial to all generations” (Exodus 3:15).* However, this word has not been mentioned even once in the New Testament.

When Jehovah became the reason for the salvation of mankind or when He became the Savior of mankind He named Himself Yahshuweh. *“And she will bring forth a Son, and you shall call His name Jesus, for He will save His people from their sins.”* (Matthew 1:21). When the angel appeared to Mary he told her to name the child (Jesus) Yah-shu-weh, in Hebrew. **The meaning of this name is “Jehovah-saves”.**

## JESUS CHRIST IS THE FORM AND CHARACTER OF THE SEVEN SPIRITS

The number that represents the fullness of the Godhead

*“John to the seven churches which are in Asia: Grace to you and peace from Him who is and who was and who is to come, and from the seven Spirits who are before His throne, and from Jesus Christ, the faithful witness, the firstborn from the dead, and the ruler over the kings of the earth. To Him who loved us and washed us from our sins in His own blood,”*

(Revelation 1:4, 5)

### **Explanation:**

Here (Revelation 1:4, 5), **it is Jesus Christ who exists as the form and character of the seven Spirits.**

## THE TWO STATES OF THE LAMB (GODHEAD) WHICH ARE VISIBLE AND INVISIBLE

The number  
that represents  
the fullness of  
the Godhead

*“And I looked, and behold, in the midst of the throne and of the four living creatures, and in the midst of the elders, stood a Lamb as though it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent out into all the earth”*

(Revelation 5:6)

### **Explanation:**

In this verse, the seven horns are **a2, which is the visible state of the Spirit**, and the seven Spirits of God are **a1, which is the invisible state of the Spirit**. These are the states within the Godhead that exist like the two sides of one coin. At the same time, the perspicacity and works of this Godhead (Lamb) are complete.

Since almost all the Biblical verses describe the Godhead, the feeble mind will not be able to understand this (Acts of the Apostles 8:31).

Let us observe the chart that shows how **a1** and **a2** exist separately within the number seven. This is given below.

### THE GODHEAD IS DIVIDED AND SHOWN IN THIS CHART

In this chart we have seen the seven spirits of God as invisible and visible. Now we can see how each Spirit of God exists separately. This is shown in the form of Tables next.

## THE STATE OF THE INVISIBLE GODHEAD

<b>a</b> (The <b>invisible</b> Spirit of might)	= 1
<b>b</b> (The <b>invisible</b> Spirit of wisdom)	= 1
<b>c</b> (The <b>invisible</b> Spirit of understanding)	= 1
<b>d</b> (The <b>invisible</b> Spirit of reverence)	= 1
<b>e</b> (The <b>invisible</b> Spirit of knowledge)	= 1
<b>f</b> (The <b>invisible</b> Spirit of counsel)	= 1
<b>a1</b> (The <b>invisible</b> state of God (Spirit))	= 1

**Note:** This Table represents the seven spirits of God that are **invisible**.

## THE STATE OF THE VISIBLE GODHEAD

<b>a</b> (The <b>visible</b> Spirit of might)	= 1
<b>b</b> (The <b>visible</b> Spirit of wisdom)	= 1
<b>c</b> (The <b>visible</b> Spirit of understanding)	= 1
<b>d</b> (The <b>visible</b> Spirit of reverence)	= 1
<b>e</b> (The <b>visible</b> Spirit of knowledge)	= 1
<b>f</b> (The <b>visible</b> Spirit of counsel)	= 1
<b>a2</b> (The <b>visible</b> state of God (Spirit))	= 1

**Note:** This Table represents the seven spirits of God that are **visible**.

## THE GODHEAD IN THE LIKENESS OF MAN

The number  
that  
represents the  
fullness of the  
Godhead

*“Who, being in the form of God, did not consider it robbery to be equal with God:*

*but made Himself of no reputation, taking the form of a servant, and coming in the likeness of men:*

*And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross”.*

(Philippians 2:6-8)

**Note:** Here, **a1** became **a2**, i.e., the Godhead that was invisible to the naked eyes of the old testament saints became visible to the eyes of the new testament saints.

## THE METHOD BY WHICH THE GODHEAD WAS REVEALED

The number that represents the fullness of the Godhead

*“Now the birth of Jesus Christ was as follows: After His mother Mary was betrothed to Joseph, before they came together, she was found with child of the Holy Spirit.*

*Then Joseph her husband, being a just man, and not wanting to make her a public example, was minded to put her away secretly.*

*But while he thought about these things, behold, an angel of the Lord appeared to him in a dream, saying, “Joseph, son of David, do not to be afraid to take to you Mary your wife, for that which is conceived in her is of the Holy Spirit.*

*And she will bring forth a Son, and you shall call his name JESUS: for he will save His people from their sins.*

*Now all this was done that it might be fulfilled which was spoken by the Lord through the prophet, saying,*

*Behold, a virgin shall be with child, and bear a Son, and they shall call His name Immanuel, which translated, 'God with us'.*

*Then Joseph, being aroused from sleep, did as the angel of the Lord commanded him and took to him his wife,*

*and did not know her not till she had brought forth her firstborn Son. And he called His name JESUS”.*

(Matthew 1:18-25)

**Note:** The Godhead became visible. Hallelujah!

## THE GODHEAD IS SPIRIT

The number that represents the fullness of the Godhead

*“That which is born of the flesh is flesh, and that which is born of the Spirit is spirit”.*

(John 3:6)

**Note:** **a2** is Spirit just as **a1** is Spirit.

## THE EPITOME

The states within the Name, **a1** and **a2**, that exist like the two sides of one coin (**1= a1+ a2**) and which were discussed equally in Isaiah 11:1, 2, Revelation 1:4, 5 and Revelation 5:6, together with the mutually related six basic spiritual qualities, add up to be revealed in the number seven ( $6+1=7$ ) which represents fullness. This is the Godhead or Jesus Christ [ $7(a1+a2)$ ]. **“Here, Jesus Christ is the form and character of the seven Spirits of God”**. This is the reason this subject is called Septinity, which is its scientific name.

**Jesus Christ is everything that the Godhead is.** See the verse that is given as evidence for this truth.

*“For in him dwells all the fullness of the Godhead bodily”.*

(Colossians 2:9)

## THE MATH IN SEPTINITY

If **1= a1+ a2**,

Then **(a1+a2) + a + b + c + d + e + f = 7**.

Therefore, **(1+1+1+1+1+1+1= 7)**

Each of these **1s** represent each spirit of God.

**7 = Septinity = Godhead = Jesus Christ**

## THE EXPLANATION OF THE FORMULA

Since the states of the Godhead, **a1** and **a2**, are **deeply intertwined** with each other along with the mutually related six basic spiritual qualities and exist in the Name by being one, I have put the sign (**intertwine**) between **a1** and **a2** as a symbol of this relationship between them, i.e., Septinity is concluded in the formula  $a + b + c + d + e + f + a1 \text{ intertwined } a2 = 7(a1 \text{ intertwined } a2)$ . At the same time, I have placed '**a1 intertwined a2**' which is inherent in the number seven (which represents the fullness of the Godhead) beside the number seven by enclosing it in brackets just to make it conspicuous. This formula is read as **seven (a1 intertwined with a2)** and written as  $7(a1 \text{ intertwined } a2)$ .

**All the Biblical verses that express the Godhead can be interpreted very easily by applying this formula to those verses.**

The reason a new method of study (that is not seen in any other spiritual book) has been developed in this book is to dissolve the confusion in the study of the Godhead caused by **oneness, binity, trinity** and **other such doctrines** and to rectify the faults in the student's daily interactions and to give them an opportunity to practice this, eventually making them true ministers of God.

**THE STATE OF THE GODHEAD  
WHICH IS INVISIBLE AND VISIBLE  
AT THE SAME TIME**

<b>a</b> (The Spirit of might which is <b>invisible and visible at the same time</b> ) = 1
<b>b</b> (The Spirit of wisdom which is <b>invisible and visible at the same time</b> ) = 1
<b>c</b> (The Spirit of understanding which is <b>invisible and visible at the same time</b> ) = 1
<b>d</b> ( The Spirit of reverence which is <b>invisible and visible at the same time</b> ) = 1
<b>e</b> (The Spirit of knowledge which is <b>invisible and visible at the same time</b> ) = 1
<b>f</b> (The Spirit of counsel which is <b>invisible and visible at the same time</b> ) = 1
<b>a1</b> <del>xxxx</del> <b>a2</b> [The state of God (Spirit) which is <b>invisible and visible at the same time</b> ] = 1

**Note:** This Table represents the seven spirits of God that are **invisible and visible at the same time**.

## THE 49 FACETS OF SEPTINITY

We have seen that **Septinity** exists in the number seven. However, **only those who have a mature mind** (Hebrew 5:13, 14; 6:1, 2) can experientially understand the classification of the facets by which **Septinity** is revealed in accordance with a situation! That is, **Septinity** maybe ‘**a**’ at one time, ‘**b**’ another time and ‘**c**’ in another situation. Therefore, the student should know specifically that the number seven (7), which represents the fullness of the Godhead, is present in each of these divinities. The table given below shows you how.

1	<b>Here, Septinity</b> exists as the Spirit of might ( <b>a</b> ). At the same time, it is revealed as the wisdom of might ( <b>a-b</b> ), the understanding of might ( <b>a-c</b> ), the reverence of might ( <b>a-d</b> ), the knowledge of might ( <b>a-e</b> ), the counsel of might ( <b>a-f</b> ) and the state of God of might ( <b>a-a1</b> <del>20000</del> <b>a2</b> ).
2	<b>Here, Septinity</b> exists as the Spirit of wisdom ( <b>b</b> ). At the same time, it is revealed as the might of wisdom ( <b>b-a</b> ), the understanding of wisdom ( <b>b-c</b> ), the reverence of wisdom ( <b>b-d</b> ), the knowledge of wisdom ( <b>b-e</b> ), the counsel of wisdom ( <b>b-f</b> ) and the state of God of wisdom ( <b>b-a1</b> <del>20000</del> <b>a2</b> ).

3	<p><b>Here, Septinity</b> exists as the Spirit of understanding (<b>c</b>). At the same time, it is revealed as the might of understanding (<b>c-a</b>), the wisdom of understanding (<b>c-b</b>), the reverence of understanding (<b>c-d</b>), the knowledge of understanding (<b>c-e</b>), the counsel of understanding (<b>c-f</b>) and the state of God of understanding (<b>c-a1</b> <del>20000</del> <b>a2</b>).</p>
4	<p><b>Here, Septinity</b> exists as the Spirit of reverence (<b>d</b>). At the same time, it is revealed as the might of reverence (<b>d-a</b>), the wisdom of reverence (<b>d-b</b>), the understanding of reverence (<b>d-c</b>), the knowledge of reverence (<b>d-e</b>), the counsel of reverence (<b>d-f</b>) and the state of God of reverence (<b>d-a1</b> <del>20000</del> <b>a2</b>).</p>
5	<p><b>Here, Septinity</b> exists as the Spirit of knowledge (<b>e</b>). At the same time, it is revealed as the might of knowledge (<b>e-a</b>), the wisdom of knowledge (<b>e-b</b>), the understanding of knowledge (<b>e-c</b>), the reverence of knowledge (<b>e-d</b>), the counsel of knowledge (<b>e-f</b>) and the state of God of knowledge (<b>e-a1</b> <del>20000</del> <b>a2</b>).</p>
6	<p><b>Here, Septinity</b> exists as the Spirit of counsel (<b>f</b>). At the same time, it is revealed as the might</p>

	of counsel ( <b>f-a</b> ), the wisdom of counsel ( <b>f-b</b> ), the understanding of counsel ( <b>f-c</b> ), the reverence of counsel ( <b>f-d</b> ), the knowledge of counsel ( <b>f-e</b> ) and the state of God of counsel ( <b>f-a1</b> <del>20000</del> <b>a2</b> ).
7	<b>Here, Septinity</b> exists as Spirit - the state of God ( <b>a1</b> <del>20000</del> <b>a2</b> ). At the same time, it is revealed as the might of the state of God ( <b>a1</b> <del>20000</del> <b>a2-a</b> ), the wisdom of the state of God ( <b>a1</b> <del>20000</del> <b>a2-b</b> ), the understanding of the state of God ( <b>a1</b> <del>20000</del> <b>a2-c</b> ), the reverence of the state of God ( <b>a1</b> <del>20000</del> <b>a2-d</b> ), the knowledge of the state of God ( <b>a1</b> <del>20000</del> <b>a2-e</b> ) and the counsel of the state of God ( <b>a1</b> <del>20000</del> <b>a2-f</b> ).

Thus, in the Godhead, the total when multiplied in this manner is **7x7=49 (Forty-Nine)**, i.e., even if the Godhead is invisible at a time or visible at a time or both invisible and visible at the same time, the total when multiplied will always be  $7 \times 7 = 49$ . The student should always remember this.

The reason Jesus Christ is always different from others is because He exists in these diversities.

*“My beloved is white and ruddy, Chief among ten thousand”*

(Song of Solomon 5:10)

## **THE GODHEAD AT A GLANCE**

Who is Christ Jesus? – **The Godhead**

What is the Godhead? – **Spirit**

How does the Spirit interact with the Church? –  
**With the six basic spiritual qualities**

**“Since the Spirit interacts with us with the six basic qualities, we should also interact with everyone on the basis of these spiritual qualities”.**

## **THE NAME OF THE GODHEAD**

From the scientific approach in the above passages, we have studied that Jesus Christ is the Godhead. So, we should remember that His name is the Name of the Godhead and that its scientific name is **Septinity**.

I will be more specific. To us, the name Jesus (Yashuweh) is the name for salvation and to God, it is the name that reveals His works. Here, the student should remember one thing, the six basic qualities required for the salvation of mankind is in the Name. This is the reason this name becomes the Name of the Godhead.

Satan knew that this name is the Name of the Godhead. So, he worked through the authorities in the beginning itself and commanded the Apostles

not to speak of the Name of the Godhead (Acts 4:17). However, today, Satan has crept into the church leadership and has covered up the Godhead by other means. The baptism in the name of the ‘persons’ of Trinity is just one example. This treachery is not being perceived by those who don’t have the spiritual qualities.

Dear ones, I do not wish to criticize anyone. During the last seventeen years of my ministry I never knew all the realms in the meaning of His name myself. **Instead, I used to just preach that the name of Christ was a name that saves or that it was a glorious name or a great name and so on.** It was hidden before my eyes. It was only when I began writing this book that I came to know that the name of Jesus Christ is **the name of the Godhead.** I had to conduct a thorough investigation to realize this fact.

At the same time, the apostles have expressed this Name as **Jesus, Christ, Christ Jesus** and **Jesus Christ.** This is shown in the verses given below.

### **The verse which only says “Jesus”**

The number that represents the fullness of the Godhead

*“Then Philip opened his mouth, and began at the same scripture, and preached unto him Jesus”.*

(Acts of the Apostles 8:35)

## The verse which only says “Christ”

The number that represents the fullness of the Godhead

*“To them God willed to make known what are the riches of the glory of this mystery among the Gentiles; which is Christ in you, the hope of glory.”*

(Colossians 1:27)

## The verse which says “Christ Jesus”

The number that represents the fullness of the Godhead

*“There is therefore now no condemnation to those who are in Christ Jesus, who do not walk according to the flesh, but according to the Spirit*

*For the law of the Spirit of Life in Christ Jesus has made me free from the law of sin and death”.*

(Romans 8:1, 2)

## The verse which says “Jesus Christ”

The number that represents the fullness of the Godhead

*Then Peter said to them, “Repent, and let everyone of you be baptized in the name of Jesus Christ for the remission of sins; and you shall receive the gift of the Holy Spirit”.*

(Acts of the Apostles  
2:38)

## THE IMPORTANCE OF THE NAME OF THE GODHEAD

1. Life is only in the Name of the Godhead.

(John 20:31)

2. Salvation was preached in the Name of the Godhead.

(Acts of the Apostles 2)

3. Repentance was preached in the Name of the Godhead.

(Acts of the Apostles 2:38)

4. Baptism was preached in the Name of the Godhead.

(Acts of the Apostles 2:38)

5. The forgiveness of sins is in the Name of the Godhead.

(1John 2:12)

6. Mighty miracles happened in the Name of the Godhead.

(Acts of the Apostles 3:6, 7)

7. The Apostles were warned not to speak of the Name of the Godhead.

(Acts of the Apostles 4:17)

8. Signs, miracles and healing of the sick happened in the Name of the Godhead.

(Acts of the Apostles 4:30)

9. The Apostles suffered persecution because of the Name of the Godhead.

(Acts of the Apostles 5:40)

10. The Apostles taught the salvation in the Name of the Godhead.

(Acts of the Apostles 4:12)

11. Paul was a chosen vessel to bear the Name of the Godhead.

(Acts of the Apostles 9:15)

12. The Apostles were ready to risk their lives for the Name of the Godhead.

(Acts of the Apostles 15:26)

13. The Apostles cast out evil spirits in the Name of the Godhead.

(Acts of the Apostles 16:18)

14. *“Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved”.*

(Acts of the Apostles 4:12)

15. The Apostle Paul was ready to die for the Name of the Godhead.

The number  
that represents  
the fullness of  
the Godhead

*“Then Paul answered, What do you mean by weeping and breaking my heart? For I am ready not only to be bound, but also to die at Jerusalem for the name of the Lord Jesus”.*

(Acts of the Apostles 21:13)

Dear ones, be obedient to this Biblical truth and whatever you say or do, let it all be done in the Name of the Godhead (Colossians 3:17)

This is the reason the Apostles performed baptism everywhere in the Name of Jesus Christ – the Name of the Godhead. See the chart given below as evidence.

### **BAPTISM IS IN THE NAME OF THE GODHEAD**

	<b>Person/People</b>	<b>Ministers</b>	<b>Scripture</b>
1.	3000 people	Peter and the rest of the disciples	Acts 2:38, 41
2.	Men and women of Samaria	Philip	Acts 8:12, 16
3.	Simon	Philip	Acts 8:13
4.	The Ethiopian Eunuch	Philip	Acts 8:36, 38
5.	Paul	Ananias	Acts 9:18, 22:16
6.	Cornelius	Peter	Acts 10:47, 48
7.	Lydia	Paul	Acts 16:14, 15
8.	The prison guard	Paul and Silas	Acts 16:30, 33
9.	Crispus	Paul	Acts 18:18
10.	Many in Corinth	Paul	Acts 18:18
11.	The disciples of John the Baptist	Paul	Acts 19:1-7
12.	The household of Stephanas	Paul	1 Corinthians 1:16

**Note:** In some places the apostles only preached and did not baptize. Instead, they commanded everyone to be baptized (Acts of the Apostles 10:47, 48). Most of the places where Paul preached, water baptism took place (Acts 10: 47, 48; 16:14, 15; 16:30, 33; 19:1-7). But Paul himself baptized only some of them. Paul records their names and details in 1Corinthians 1:15, 16. So, in the other places where Paul preached, his fellow ministers must have baptized the rest of the believers.

However, the revelation that the Name of Jesus Christ is the Name of the Godhead was lost by the Christian Church after the apostolic period. This is the reason the verse, Matthew 28:19, was ‘put into the mouth of Christ<sup>1</sup>’ and water baptism was done in the Trinitarian titles. **The student should know that if baptism is done by using these Trinitarian titles, the use of only three titles is not enough, but almost all the 600 titles given to symbolize the Godhead by the prophets, after seeing His works (as seen in the Holy Bible), must also be used.**

---

1. Everywhere in the oldest sources it is stated that baptism takes place “in the name of Jesus”. For the first time in the relatively later chapter of St. Matthew’s Gospel the command to baptize with the trinitarian formula (in the name of the Father, Son and the Holy Spirit, Matthew 28:19) is put into the mouth of Jesus.

[Encyclopedia Britannica, volume-13, page-82, Edition 1953]

In fact, there is no evidence in the Bible that shows baptism was done in the Trinitarian titles or according to Matthew 28:19<sup>2</sup>. Instead, baptism was done only in the Name of Jesus Christ as we have seen in the chart given above. At the same time, the baptism that Jesus himself performed was known as the Baptism of Jesus and the baptism that the Apostles performed was known as the Baptism in the name of Jesus Christ<sup>3</sup>. So, if baptism is not done in the Name of the Godhead, i.e., in the “Name of Jesus Christ”, it is just immersing yourself in water.

**Note:** It will be good if the ministers of the church say, “I baptize you in the Name of Jesus Christ The Name of the Godhead” while baptizing the believers, so that the believers who are baptized

---

2. The original form of words was ‘into the name of Jesus Christ’. Baptism into the name of the trinity was a later development. After the one mention of it, Matthew 28:19, we do not find it again until Justin Martyr, and his formula is not identical with that in the gospel.

(Dictionary of the Bible, volume-1, page-241)

3. Jesus, however, cannot have given his disciples this Trinitarian order of baptism after his resurrection; for the New Testament knows only baptism in the name of Jesus (Acts 2:38; 8:16; 19:5; Gal 3:27; Rom 6:3; 1Cor 1:13-15), which still occurs even in the second and third centuries, while the Trinitarian formula occurs only in Matt 28:19....

(The New Schaff-Herzog Encyclopedia of Religious Knowledge, volume-1, page-435)

will remember that the name of Jesus Christ is the name of the Godhead throughout their lives.

## **THE GODHEAD AND TITLES**

We have studied Septinity and have come to the conclusion that the Name of the Godhead is the Name of Jesus Christ. At the same time, by seeing the works of this Godhead, which are revealed through various facets according to a situation, farsighted men (prophets) have symbolically called the Godhead or Jesus Christ almost six hundred (600) titles according to their savor in the ordination from the Spirit.

Some of these titles and some of the biblical verses that clarify them are given below for the awareness of those who have not attained the knowledge of the Godhead or for those who always learn and are never able to be complete in the knowledge of the truth.

## 5. JESUS CHRIST IS THE ‘HOLY SPIRIT’

◆ **The ‘Holy Spirit’ is the spirit of Jesus Christ**

The number that represents the fullness of the Godhead

*“But you are not in the flesh but in the Spirit, if indeed the Spirit of God dwells in you. Now if anyone does not have the Spirit of Christ, he is not His”.*

(Romans 8:9)

◆ **It was Christ's Spirit that dwelt in the Old Testament prophets**

The number that represents the fullness of the Godhead

*“Searching what, or what manner of time the Spirit of Christ who was indicating when He testified beforehand the sufferings of Christ, and the glories that would follow.”.*

(1Peter 1:11)

◆ **Jesus Christ, who exists in the unseen spiritual qualities in the Name.**

The number that represents the fullness of the Godhead

*“For where two or three are gathered together in my name, I am there in the midst of them”.*

(Matthew 18:20)

**Note:** The ‘Holy Spirit’ is yet another manifestation of the Godhead

When we understand the **meanings of all the titles** given to each of these 600 manifestations, we should be thinking about the offices of the Godhead and not the Godhead itself.

The verses that describe the working aspects of some titles such as the Father, the Good Shepherd and the Good Physician are given below as examples.

### **THE OFFICE OF THE FATHER (INTERACTION)**

*Then He said: "A certain man had two sons.*

*"And the younger of them said to his father, 'Father, give me the portion of goods that falls to me.' So he divided to them his livelihood. And not many days after, the younger son gathered together, journeyed to far country, and there wasted his possessions with prodigal living. But when he had spent all, there arose a severe famine in that land, and he began to be in want. Then he went and himself to citizen of that country, and he sent him into his fields to feed swine. And he would gladly have filled his stomach with the pods that the swine ate, and no one gave him anything. But when he came to himself, he said, 'How many of my father's hired servants have bread enough to spare, and I perish with hunger! 'I will arise and go to my father, and I will say to him, "Father, I have sinned against heaven and before you, and I am no longer worthy to be called your son. Make me like one of your hired servants. And he arose and he came to his father. But when he was still a great way off,*

his father saw him and had compassion, and ran and fell on his neck and kissed him. And the son said to him, 'Father, I have sinned against heaven and in your sight, and am no longer worthy to be called your son.' But the father said to his servants, 'Bring out the best robe and put it on him, and put a ring on his hand and sandals on his feet. And bring the fattened calf here and kill it, and let us eat and be merry; for this my son was dead and is alive again; he was lost and is found.' And they began to be merry. Now his older son was in the field. And as he came and drew near to the house, he heard music and dancing. So, he called one of the servants and asked what these things meant. And he said to him, "Your brother has come, and because he has received him safe and sound, your father has killed the fattened calf. But he was angry and would not go in. Therefore his father came out and pleaded with him. So he answered and said to his father, 'Lo, these many years I have been serving you; I never transgressed your commandment at any time; and yet you never gave me young goat, that I might make merry with my friends. But as soon as this son of yours came, who has devoured your livelihood with harlots, you killed the fattened calf for him. And he said to him, 'Son, you are always with me, and all that I have is yours. it was right that we should make merry and be glad, for your brother was dead and is alive again, and was lost and is found.'

(Luke 15:11-32)

## **THE OFFICE OF THE SHEPHERD (INTERACTION)**

*Then Jesus said to them again, “Most assuredly, I say to you, I am the door of the sheep. All who came before Me are thieves and robbers, but the sheep did not hear them. I am the door. If anyone enters by Me, he will be saved, and will go in and out and find pasture. The thief does not come except to steal, and to kill, and to destroy. I have come that they may have abundant life, and that they may have it more abundantly”.*

*“I am the good shepherd. The good shepherd gives His life for the sheep. But he who is a hireling and not the shepherd, one who does not own the sheep, sees the wolf coming and leaves the sheep and flees; and the wolf catches the sheep and scatters them. The hireling flees because he is a hireling and does not care about the sheep. I am the good shepherd; and I know my sheep, and am known by My own. As the Father knows Me, even so I know the Father; and I lay down my life for the sheep. And other sheep I have which are not of this fold; them also I must bring, and they will hear My voice; and there will be one flock and one shepherd”.*

(John 10:7-16)

## THE OFFICE OF THE PHYSICIAN (INTERACTION)

*Now a woman, having a flow of blood for twelve years, who had spent all her livelihood on physicians and could not be healed by any, came from behind and touched the border of His garment. And immediately her flow of blood stopped. And Jesus said, "Who touched Me?" When all denied it, Peter and those with him said, "Master, the multitude throng you and press You, and You say, "Who touched Me?" But Jesus said, "Somebody touched Me, for I perceived power going out from Me." Now when the woman saw that she was not hidden, she came trembling; and falling down before Him, she declared to Him in the presence of all the people the reason she had touched Him and how she was healed immediately. And He said to her, "Daughter, be of good cheer, your faith has made you well. Go in peace."*

(Luke 8:43-47)

We have studied the Godhead scientifically in **Part A**. Now let us study the supportive evidences of **Part A**, namely, **Parts B** and **C** in the next pages

## PART B

### SEPTINITY AND ITS PERSPECTIVE

Septinity provides **a clear insight into every aspect of man's life** and has **the potential to uplift him to the highest level of success.**

Even though every religious book is said to be created for the wellbeing of man, none of its propagators speak about or teach the spiritual qualities that bring about proper interaction; instead they simply conclude their teachings by telling their believers to “bow down” and “keep on praying”.

Dear ones, when I began writing this book **I had contemplated many times to write and speak only about the two states within the Godhead.** I always wondered why the Spirit was forcing me to speak about Septinity. I found the answer in the end. It is not just documented that man was ‘created’, but also ‘how he was created’, i.e., “let us make man in our own image”. This means God created man with the six spiritual qualities, or in other words, we will be able to see the same qualities that are in the Creator to be in the creation as well. Therefore, if we manifest any ministry, it should be from the six spiritual qualities. Anything other than this is from Satan.

Here, it is understood that the very existence of man was meant to be in the likeness of the Godhead, i.e., if man accepts Septinity everything he does everyday will be dependant on the interaction based on the spiritual qualities. By this, I was able to discover the great concept that the Holy Bible is the source of this interaction. Thank you Jesus!

Based on this, different topics from the Bible are given as examples to practice this interaction. Please study them.

## **SEPTINITY AND THE WORD**

*“Knowing this first, that no prophecy of Scripture is of any private interpretation, for prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit.”*

(2 Peter 1:20, 21)

*“God, who at various times and in different ways spoke in time past to the fathers by the prophets, has in these last days spoken to us by His Son, whom he has appointed heir of all things, through whom also He made the worlds;”*

(Hebrews 1:1,2)

According to these verses, no doctrine can exist by excluding even one verse from the Holy Bible - except for Matthew 28:19.

According to John's second letter, verse nine, "*Whoever transgresses and does not abide in the doctrine of Christ does not have God. He who abides in the doctrine of Christ has both the Father and the Son*".

So, how exactly does the Godhead manifest the Father and the Son? I have seen many 'Jesus Name' pastors getting jittery when they use the words 'Father' and 'Son' during their sermons as they don't have a clear understanding about this. But if they understand Septinity, all anxiety relating to the use of titles will be dissolved and I am sure this will lead them to minister with freedom.

Dear brethren, I will explain to you once again what I have said in the passages above -

In order to save the sinner, God - the invisible Spirit (the Father - **a1**) took on the likeness of man or adorned Himself with the form of man (took the form of the Son - **a2**) to rescue him from death, which is the reward of sin, by giving Himself to the death on the cross as the sacrifice for redemption from sin, as it was prophesied before. By this, we come to know that God has manifested His Godhead in the form of man. (Colossians 2:9).

This is where the significance of the symbolic-exemplary verses arises, i.e., Jesus, being the actual

Father (**a1**), is now the Son (**a2**) here as He adorns Himself with the image of the sinful man. We should do everything what this Son has set as an example for us. This is the reason the apostle Paul always greets everyone in his letters by saying, “Grace to you and peace from God our Father and the Lord Jesus Christ.” (Philippians 1:2)

If we accept and believe that Jesus Christ experienced the death on the cross for us as the atonement for our sins, rose up on the third day and if we confess our sins to God and discard them, and if we dedicate and give ourselves to live in Christ’s eternal life the will of our Father will be fulfilled in us. Thus, we will be established in the Godhead.

This faith is the foundation of Christianity. However, since Christians have lost the correct explanation (scientific aspect) of the verses that speak of the Father and the Son, and because of the flaw in the doctrine of Trinity and because of the propaganda that Christians have ‘three gods’ by people from other religions the number of Christians is dwindling at a fast rate. The reduction of the Christian population from 20% to 5% after the Second World War in the Middle East is proof of this. “You are mistaken, not knowing the Scripture nor the power of God.” (Matthew 22:29)

Dear ones, we have studied in **Part A** that Jesus Christ is the Godhead. So, if anyone does not remain

in the Godhead and crosses it's boundary, he does not have God, he does not have the Father and the Son also. In short: **without the manifestation of the interaction based on the six (6) spiritual qualities that are within the Godhead, man is empty and void.**

The student should understand one thing: the Father and the Son exist in the doctrine of the Christ. The doctrine is not restricted in displaying these two manifestations alone. There are a lot of other manifestations or titles like these. **The Godhead has set each and every one of them as examples for us. (To be clearer on this see Septinity and Interaction on page 94)**

To be specific, most of the manifestations of the Godhead are manifested two at a time, such as the 'Vine' and the 'Vinedresser', 'Word' and 'God', 'Lord' and 'My Lord', 'Shepherd' and 'Sheep', 'Master' and 'Servant', and so on. **The student should always remember that these have been set as examples to strengthen our relationship with God and that these are the works to fulfill the needs of a person. Verses that prove these are given below.**

***"But that you may know that the Son of Man has power on earth to forgive sins"- He said to the man who was paralyzed, "I say to you, arise, take up your bed, and go to your house."***

***Immediately he rose up before them, took up what he had been lying on, and departed to his own house, glorifying God.***

*And they were all amazed, and they glorified God and were filled with fear, saying, "We have seen strange things today!"*

(Luke 5:24-26)

These manifestations or titles are made clear through Septinity and are presented to you as examples next.

### Example 1

#### SEE HOW JOHN HAS DESCRIBED THE GODHEAD.

The number that represents the fullness of the Godhead

*"In the beginning was the Word, and the Word was with God, and the Word was God.*

*He was in the beginning with God".*

(John 1:1, 2)

#### Explanation:

Here, "In the beginning was **a2**, and **a2** was with **a1**, and **a2** was **a1**. **a2** was in the beginning with **a1**".

### Example 2

#### OBSERVE THE GODHEAD IN THESE VERSES.

The number that represents the fullness of the Godhead

*While the Pharisees were gathered together, Jesus asked them,*

*saying, "What do you think about the Christ?"*

*Whose Son is He?” They said to Him, “The Son of David.”*

*He said to them, “How then does David in the Spirit call Him ‘Lord’, saying:*

*“The Lord said to my Lord,*

*“Sit at My right hand,*

*Till I make your enemies your footstool”?*

*If David then calls Him ‘Lord’, how is He his Son?”*

*And no one was able to answer Him a word, nor from that day on did anyone dare question Him anymore.”*

(Matthew 22:41-46)

### **Explanation:**

Here (the 44<sup>th</sup> verse), “**a1** said to **a2** to sit at **a1’s** right hand, till **a1** makes **a2’s** enemies **a2’s** footstool”.

As the Pharisees had not sought (in the Spirit) the Godhead (*Theotes*- Greek), and kept on teaching the people of Israel that Christ is just ‘the son of David!’, ‘the son of David!’ (just like those of the present day), Jesus asked them, “If David, in the Spirit, called

Christ ‘Lord’, how is He his son?” None of the Bible scholars of that time could answer this question because it was not revealed to them that Jesus Christ was the Godhead; or in other words, Septinity was not revealed to them.

### Example 3

#### THE GODHEAD EVEN IN PRAYER

**The manifestation of the Godhead shown in the symbolic-exemplary verses from John 17: 11-26 is ‘the Father who is in the Son’.** This is made clear through the 11<sup>th</sup> verse

The number that represents the fullness of the Godhead

*“Now I am no longer in the world, but these are in the world, and I come to You. Holy Father, keep through Your name those whom You have given Me, that they may be one as We are”.*

(John 17:11)

#### Explanation:

“And now **a2** is no longer in the world, but these (disciples) are in the world, and **a2** comes to **a1**. Holy **a1**, keep through **a1**’s Name those (disciples) whom **a1** has given **a2** that they may be one as We are, i.e., **as a1 and a2 are one through the spiritual qualities**”.

Thus, **all the titles that are seen in the Bible, such as ‘Word’, ‘God’, ‘Lord’, ‘My Lord’, ‘Father’, ‘Son’, etc., which were discussed in John 1:1, 2; Matthew 22:44, and in John 17:11, are the words used to symbolize the a1 and the a2 within the Godhead according to the situation.**

This is made clearer : It is documented in John 15:1 as, “I am the true Vine and my Father is the Vinedresser”. According to this **symbolic-exemplary verse**, **a2** is the Vine and **a1** the Vinedresser. So, the visible state within the Godhead (which exists in this manner) symbolizes the invisible state by using the word **‘Father’** and the invisible state symbolizes the visible state by using the word **‘Son’**. At the same time, Jesus has also made it clear that He is the **‘Father’** while He was in the visible state.

**Only those who have attained the ‘eyes’ of the seven (7) spirits of God, as mentioned in Revelation 5:6, can classify these manifestations through 7(a1↔a2), or in other words, if you want to understand the titles the far sighted men of God had given to the Godhead (according to their personal savor in the ordination from the Spirit), through 7(a1↔a2), by taking into account the situational manifestations of its states and their interaction, i.e., the Godhead being the invisible Spirit in one situation, the visible Spirit in another situation and the Spirit who is both invisible and**

**visible at the same time in another situation, you should attain the eyes of the Godhead.**

I will elucidate these 'eyes' for you. If we are able to see each and everything the same way as Jesus Christ (the form and character of the seven spirits) sees them, we will be able to comprehend Jesus Christ and the many facets of the works that He does. In simple words, we will be able to comprehend Septinity.

**This is where the relevance of the fact, “Your God who is Lord is One Lord”, comes up! Here, God, who is the Only Lord, is no one else but Jesus Christ - the fullness of the Godhead.**

Therefore, all the ministries of the Christian Church should be done only in the Name of Jesus Christ – the Name of the Godhead, because the Godhead is completely contained in the Name. Hallelujah! Amen.

## **SEPTINITY AND CREATION**

Nothing can be created without the Godhead because the basic qualities required for creation can be found only within the Godhead. This is clarified: 'Everything that can be seen and everything that cannot be seen are created by Septinity'. See the verses given below.

*“He is the image of the invisible God, the firstborn over all creation.*

*For by Him all things were created that are in heaven and that are on heaven, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him.*

*And He is before all things, and in Him all things consist”.*

(Colossians 1:15-17)

All creation is created from His six basic spiritual qualities. See the verse that proves this.

*“He has made the earth by His power,  
He has established the world by His wisdom,  
And has stretched out the heavens at His discretion.”*

(Jeremiah 10:12)

To have a deeper understanding of the meaning of **might**, **wisdom** and **understanding** that is shown in this verse, see the Table that shows how Septinity is revealed through 49 facets in page 48.

## SEPTINITY AND MAN

The word ‘human’ does not mean that man is composed of three persons. In the same manner, the word ‘Godhead’ or ‘Deity’ does not mean that God is composed of three persons. Frankly, a person with knowledge of basic grammar in any language will

never be able to comprehend the Godhead as ‘the Father, Son and the Holy Spirit’.

However, we see the invisible Godhead in the Old Testament period and the visible Godhead in the New Testament period (Col 1:15). It is nothing but the interaction of the Godhead when in the invisible and the visible state, which are like the two sides of one coin.

To be clearer, it is the variation in man’s perception. We know that just because we see or don’t see an individual and if he has more than one office or rank in life, it does not mean that he is composed of more than one person. In the same manner, God is never composed of more than one person.

Therefore, just as man has humanity so does God have the Godhead. It is in this Godhead that man has been created. This is clarified below.

The number  
that represents  
the fullness of  
the Godhead

*“Then God said, “Let Us make man in Our image, according to Our likeness,...”.*

(Genesis 1:26)

In the beginning of the creation of man, God (*Elohim* – Hebrew) used the pluralistic words “Let **Us** make man in **Our** image”. Here, we should be aware of one thing: in the Old Testament, first written in Hebrew, we can see that ‘**Elohim**’ (**Gods**) created man. The reason Moses used the word ‘Gods’ (Elohim) here is because **God exists as seven spirits**. With relation to creation - it is the seven spirits of God (Elohim) that had created everything. This is the reason this pluralistic word (Elohim) was used here. Here, we can see the **Godhead**. This is exactly what has been cited in Genesis 1:26 and Genesis 11:7. (To be clearer on this, study parts **A** to **C**)

Thus, the first man was created with the six basic qualities of God, or created through the Godhead, i.e., the six basic spiritual qualities and the state of man, add up to result in the number  $6+1=7$ . Therefore, man also exists in the number seven.

It was because the apostle Paul knew this fact by revelation, he symbolized Jesus Christ - **who disguised Himself as man**, as the ‘last Adam’ in 1Corinthians 15:45.

But when sin crept into man, he lost the six basic spiritual qualities (6) or the **Godhead** that God gave man and he took on the likeness of beasts.

This is elaborated here. When love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance, **which are manifested on the basis of the six spiritual qualities within the Godhead**, were lost by man, he took on the desires of the flesh: which are adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envyings, murders, drunkenness, revellings and such like, **becoming the seat of Satan - the centre of all these activities.**

In order to save this man, God - who is One, revealed Himself in the Name, with His six basic spiritual qualities, i.e., he revealed Himself on the basis of **a+ b+ c+ d+ e+ f+ a1**  **a2 = 7(a1**  **a2)** - the formula of Septinity, all the way, to His death on the cross. Amen.

If you believe that Jesus Christ died on the cross as atonement for your sins, was buried, and rose up on the third day, and accept him as your personal savior, the Godhead that we once lost will enter our lives and **we will attain our original state of being.**

This is the reason the number seven, which means Jesus Christ shed his blood for us, is shown throughout this book.

**Note:** Dear ones, if any one of these divinities of Septinity is manifested through you in this method, you should know that the rest of the divinities are also in you, and you should be able to understand each separately. Keep in mind that Satan's aim is to cover up this realm of knowledge and any one who is able to overcome his ambition will be *"complete in Him, who is the head of all principality and power"* (Colossians 2:10). Amen.

## SEPTINITY AND THE TABERNACLE

The existence of Septinity in the Tabernacle is corroborated through its formula and is given below.

The six basic utensils inside the Tabernacle, that is, the Ark of the Lord (**a**) (Exodus 25:10), the Golden Lamp stand (**b**) (Exodus 25:31), the Altar of Incense (**c**) (Exodus 30:1), the Table of Showbread (**d**) (Exodus 25:23), the Laver of brass (**e**) (Exodus 30:17) and the Altar of Burnt Offerings (**f**) (Exodus 38:1) exist in this Tabernacle by being mutually related to each other to make the six basic spiritual qualities within the invisible Godhead visible.

This is corroborated for the students by using the formula of Septinty. Just as we have seen in the Epitome of Septinty, the invisible Glory of Jehovah (**a1**) and the visible Tabernacle of Jehovah (**a2**), together with the mutually related six basic utensils (with the six basic spiritual qualities) add up to result in the number seven (**6+1=7**) which represents fullness, i.e., the Tabernacle exists in the number seven. The Tabernacle that exists in this manner is called the Tabernacle of Jehovah or the Tabernacle of God. This Tabernacle is the shadow of the image of the invisible God (Jesus Christ).

This is clarified even more: The states of the Godhead that exist like the two sides of one coin, **a1** and **a2**, and the mutually related six basic spiritual qualities add up to result in the number seven ( $6 + 1 = 7$ ) as

we have seen in the illustration of the tabernacle given above, i.e., the formula of Septinity,  $\mathbf{a + b + c + d + e + f + a1^{20000}a2 = 7(a1^{20000}a2)}$ , is revealed through the Tabernacle also. Hallelujah!!

At the same time, I wish that the children of God should be aware that the High Priest (who is ordained to administer in this Tabernacle of the Godhead), the Levites, the other smaller utensils used for the ritual and the sacrificial offerings are all symbolized in the Bible as the shadow of the works of Jesus Christ.

## SEPTINITY IN REVELATION

We need the gift of revelation (an extraordinary mind) to attain Septinity. This can be seen in the verse below.

The number that represents the fullness of the Godhead

*“All things have been delivered to Me by My Father, and no one knows the Son except the Father. Nor does anyone know the Father except the Son, and he to whom the Son wills to reveal Him”.*

(Matthew 11:27)

**Explanation:**

Here, in this **symbolic-exemplary verse**, without **a2** revealing **a1** and without **a1** revealing **a2**, no one can experience Septinity. This is made clear to us again through this verse. (To be clearer on this study **Parts A to C**).

## **ETERNAL LIFE IN THE KNOWLEDGE OF SEPTINITY**

The ultimate reason Jesus Christ revealed Himself to this world was to give eternal life to the whole of mankind (John 10:10). Jesus Christ is eternal life. That is why Jesus said, *“For what is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul?”* (Matthew 16:26). All that we gain without knowing the Godhead is just like a garland in the hands of a monkey. So, acquire the knowledge of the Godhead and attain eternal life. With this, all things will be added unto you.

The number that represents the fullness of the Godhead

*“And this is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent”.*

(John 17:3)

**Explanation:**

Here, those who are able to realize and believe that **a1** and **a2** exist in the **Name with the six basic spiritual qualities**, will obtain eternal life. In short, you obtain eternal life as you understand Septinity.

**SEPTINITY IN THE BELIEVERS**

The number that represents the fullness of the Godhead

*Jesus answered and said to him, “ If any-one loves Me, he will keep My word; and My Father will love him, and We will come to him and make Our home with him”.*

(John 14:23)

**Explanation**

Those who love **a2** will keep **a2’s** word, **a2’s** Father (**a1**) will love him and we or **Septinity** will come to him, and abide with him. Hallelujah!

To understand this completely, analyze and study **Parts A to C**.

## THE CHURCH AND SEPTINITY

The concept of the Church is the greatest miracle in history. This is because the Church is exactly what Christ is, which means that Christ is the foundation of the Church. If Christ has taken form by the Holy Spirit, that means the Church should also be formed by the six basic qualities of the same Spirit. You can see this in the verses given below.

1. The Church of God is revealed in the world by the Might within the Name **(a)**.

(Acts of the Apostles 1:8)

(Ephesians 1:18-23)

2. The Church of God is being built in the world by the Wisdom within the Name **(b)**.

(Matthew 7:24)

(1 Corinthians 3:10-13)

3. The Church of God is maintained in the world by the Understanding within the Name **(c)**.

(Colossians 2:2-7)

(Ephesians 5:22-33)

4. The Church of God reveals the proper Reverence within the Name to the world **(d)**.

(Hebrew 12:28)

(1 Timothy 6:11)

5. The Church of God is growing in the world by the Knowledge of the glorification in the Name (**e**).

(Colossians 1:10-12)

(Colossians 3:10)

6. The Church of God proclaims the correct Counsel within the Name to the world (**f**).

(Acts of the Apostles 8:12)

(Acts of the Apostles 2:1-42)

Thus, it is the unblemished Church, the Bride, who has taken form in the Name of the Godhead, as the visible single-body of these six basic spiritual qualities in this world today. Hallelujah!

To be specific, everything exists in the number seven, which represents fullness, i.e., the **Godhead**, the **Church**, **Man**, the **Tabernacle**, **all the manifestations of the Godhead, moreover, whatever we can see and whatever we are unable to see; everything exists in the number seven.**

So dear ones, if we understand Jesus Christ, who revealed himself to the world through the virgin two thousand years ago, lived the life of a man without sin, died on the cross for the atonement of sins of the whole of mankind, buried, rose up on the third day; and accept him as our personal savior, His (the

Holy Spirit's) six basic spiritual qualities (which no one else possesses) will come into our lives and we will also become members of His unblemished Church – the Bride, Hallelujah!

## **THE SCIENTIFIC ASPECT OF TITLES**

Since the interaction of the Spirit is based on the qualities, which are **might, wisdom, understanding, reverence, knowledge** and **counsel**, the impurities of this world can never beguile it. The saints understood this and that is why they called it the 'Holy Spirit'. This clearly means that the Holy Spirit is not another 'person' in the Godhead.

If we analyze the meanings of such titles, we will be able to see that the saints had given the Godhead almost six hundred (600) titles, according to their savor (in the ordination from the Spirit) and after observing the acts of God (Spirit), which are based on the six spiritual qualities, acted upon the need of an individual. To be specific, they are the various manifestations of the Godhead. The student should always remember that all these manifestations are complete.

## **SEPTINITY AND INTERACTION**

Dear ones, everything that exist in this world has a scientific principle behind it. Every human being,

knowingly or unknowingly, is engulfed by science; otherwise the sustenance of this world is at stake.

It is because science is inherent in man he is always in search for the science behind everything. If man could not have handled science, he would never have respected scientific discoveries or scientists. This is because science applies to his logic and because it does, he studies it, practices it and passes this knowledge onto the next generation.

To be specific, man's intellect is never influenced by anything that is not scientific, crude and makeshift, and thus, he can never respect them.

A lot of subjects based on the Godhead had been released in the world by many scholars. Yet, none of them had been able to explain the Godhead scientifically and **no one had made it clear as to how we can practice it in our daily lives.** The reason being, the lack of scientific knowledge on this subject and a lot of misconceptions, the major ones being **oneness, binity** and **trinity**. We should be trying to lead a life wherein which we are always practicing the interaction based on the spiritual qualities instead of fighting with each other in the name of these useless beliefs.

The interaction of the Godhead that is described in this book is not something that I have heard from

anyone or read from any book. Instead, it was revealed to me by Jesus Christ. Lord Jesus, whom I serve, is witness to this.

Since Jesus interacts with everyone on the basis of the spiritual qualities: which are **might, wisdom, understanding, reverence, knowledge** and **counsel**, none of his offices can fall. Therefore, I encourage you also to interact with the spiritual qualities for a good life ahead, where you will never encounter failure.

To be specific, most of the saints in the Bible like Joseph and Daniel had perfected this interaction. We can comprehend this from their biographies.

If you are able to interact in this manner, you can be **a good friend**, a good shepherd, a good son, a good father, a good doctor, a good prophet, a good ruler, a good scientist and so on. Above all, you can be all that Godhead was, when it set itself as examples for the believers. To be more clear, *we can be ambassadors for Christ* (2 Cor 5:20).

We need these six spiritual qualities within the Godhead to love a person the right way, to show gratitude for the favors done by another person, not only that, but also to attain peace in our lives (John 14:27), and to maintain this peace throughout our lives. It is now clear to us through Septinity why

Jesus said “*for without Me you can do nothing*” (John 15:5)

Let me illuminate this a little more. If you want to be a good friend to anyone you will definitely need the spiritual qualities to interact with him or her. Once, Jesus Christ described to his disciples on how a good friend should actually be. He said “*Greater love hath no man than this, that a man lay down his life for his friends*” (John 15:13). So, how can we see a good friend in a person? We need to have a careful study on this.

Love is the ability of the mind to discard all self interests (selfishness) and be everything for the benefit of our fellow human beings. How can we discard selfishness? Firstly, we should know what selfishness actually is, and the extent of its growth in our minds. And when we realize what it actually is, we should remove it from our lives.

If we think about it, we are all selfish. Selfishness can be explained as any action done disregarding our conscience, such as looking out only for our survival, the exaltation and the gaining of respect for our family and so on. Frankly, we do not live in love but in affection. Let us take the example of a baby. A baby is dependant on its mother for milk and for all its basic needs. It shows affection which is based on this dependency.

This is not observed in man alone, it can be seen in all other animals - for their food, sexual propagation and so on. However, when these needs are not met affection turns into anger. Most of us live in this realm. This is the state of the animal world.

We should recognize this fleshly interaction and behave or interact as the apostle Paul had said in 2 Corinthians 1:12, “***For our boasting is this: the testimony of our conscience that we conducted ourselves in the world in simplicity and godly sincerity, not with fleshly wisdom but by the grace of God, and more abundantly toward you.***”

Dear ones, there is no relation between love, affection and anger. God is love and he who abides in love abides in God (1 John 4:16). **In short, he who abides in the spiritual qualities abides in God.**

The apostle Paul has explained the sign of love that is manifested through the spiritual qualities. This is shown below

*“Though I speak with tongues of men and of angels, but have no love, I have become as sounding brass or a clanging cymbal.*

*And though I have the gift of prophesy and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but I have not love, I am nothing.*

*And though I bestow all my goods to feed the poor,  
and though I give my body to be burned, but have not  
love, it profits me nothing.*

*Love suffers long and is kind; love does not envy;  
love does not parade itself, is not puffed up;*

*does not behave rudely, does not seek its own, is not  
provoked, thinks no evil;*

*does not rejoice in iniquity, but rejoices in the truth;*

*bears all things, believes all things, hopes all things,  
endures all things.*

*Love never fails. But whether there are prophecies,  
they will fail; whether there are tongues, they will  
cease; whether there is knowledge, it will vanish  
away.”*

(1 Corinthians 13:1-8)

Conclusively, we can say that love is Jesus Christ who is the fulness of the Godhead, i.e., He is love and the perfect example of love.

I wish to make use of this opportunity and remind you of a general misconception that prevails in our society. A lot of individuals think that if they read the Bible in his or her intellectual capacity or if they memorize all the verses in it, they have attained everything. That is not so. They are just letters. The letter kills, but the Spirit gives life (2 Corinthians 3:6). In brief, it does not mean that the Bible should

be memorized, but that we should discern the interaction that is revealed in it, or in other words we should recognize the truth in it.

### **What Exactly Is The Truth?**

Jesus Christ once told his disciples that the prince of this world does his works in them (Matthew 20:21-28). We have to understand that Jesus was with them and they were His disciples, yet He said that the prince of this world or Satan had governance over them. This means that they were manifesting the characteristics of the devil. Have you ever thought why this happened?

The disciples were not able to manifest the interaction of the true Spirit, i.e., they were not aware of the interaction through the spiritual qualities. To be specific: They were not aware of Christ's interaction and just mimicked what they saw and heard. They did not have substance and were not able to delve into these details.

Sadly, this is how most of us are. I am not blaming anyone. But we should submit ourselves to contemplation. Don't you think there is truth in what I'm trying to make you think? **The true interaction of the Spirit is Spirit itself. This means that salvation of mankind relies on the interaction based on the spiritual qualities of God and not in trinity.**

**So, only if you are able to interact in this manner will your whole spirit, soul, and body be preserved blameless at the coming of our Lord Jesus Christ (1Thessalonians 5:23).**

Once Mahatma Gandhi had told the gospel preachers in India that it is better to be like Christ than to go around preaching the Gospel, and then the people shall follow their path. If Mahatma Gandhi had said this, what I have done in this book is to show you how you can be complete in Christ.

When the world comprehends that the Holy Bible represents this interaction, it will be set apart from all other religious books.

### **HOW CAN THE INTERACTION OF THE GODHEAD BE ATTAINED?**

Everybody knows that hard work and dedication is needed to achieve a goal. In the same manner, one should set his or her mind to achieve this interaction.

1. You should know what the Godhead is.
2. You should be aware of the spiritual qualities within the Godhead.
3. You should try to attain the interaction based on the spiritual qualities.
4. You should observe and learn from those who have attained this interaction.

5. Maintain fellowship with those who have attained this interaction.
6. Let those who have attained the interaction lay their hand on your head and pray for you.
7. Pray to achieve this interaction.

Even after doing all these, if the interaction based on the spiritual qualities is not being manifested through you, you should submit yourself to the counselling based on Septinity, because you are stuck in some area.

You should remember one thing here; the genetic characteristics (traits) of man are always a hindrance for the manifestation of the interaction based on the spiritual qualities, i.e., **the evil emotional thoughts that lay hidden in an individual apart from the characteristics such as anger, impatience, arrogance, selfishness and recklessness. The counselor should analyse which emotion the client is addicted to and make the client aware of this. Once the client is aware of this, he will have an understanding on how to portray the correct interaction.**

If you gain the knowledge on how to interact in the right manner with each other you will never fail in anything. I will cite an example. Suppose you are

attending an interview. If you are aware of the code of conduct before the interviewer or how to be seated or how to answer the questions thrown at you or how to convey your thoughts, you will never fail in that interview because you have interacted in the correct manner.

It is because man had fallen from this interaction of the Godhead, he has failed in life. Instead of understanding and acknowledging this, he blames fate and curses the season, saying that he is 'unlucky'. He uses many other words too to describe his miserable state.

Since man has lost the interaction based on the spiritual qualities he has come to a point where he has begun to hate himself leading him to black magic, unconsecrated vows and even human sacrifice. Because of all these actions, some have gained the name 'sorcerer' or 'witch' and have ended up being tortured mentally. You don't have to be an encyclopaedia to understand this.

You should understand that their followers, who lay carpets for them so that they can touch their feet and bow down before them, are bringing a great catastrophe upon themselves and society.

However, if you practice the interaction based on the spiritual qualities you will be set free from all these bondages.

**If a person practices the right mode of interaction, he will start believing in his talents and stop devaluating himself. If this self-devaluation is taken off from his life, he will gain freedom in all the areas of his life, thereby, enhancing the performance level in every sphere.**

Dear ones, if a father's interaction towards his son is based on the spiritual qualities he has gained freedom in the state of fatherhood. In the same manner, if the son exhibits these spiritual qualities in his interaction towards his father, he is also free in the state of being a son.

Therefore, if you exhibit the interaction based on the spiritual qualities in every sphere of your life you will be completely free. This is why Christ has stated, "You shall know the truth, and the truth shall make you free"

Christ was actually keeping in mind the congregation which is complete in this interaction when he said, "The Kingdom of God is among you". He was not referring to the groups that simply go around praying and singing.

Everyone who believes in Christ Jesus, irrespective of race, colour, and organization, is one body. Thus, the objective of this book is to rectify the flaw in the doctrine, to rescue each and every believer from the clutches of Satan and to make everyone perfect in the interaction of Christ.

## THE INTERACTION AT A GLANCE

Since God interacts with man on the basis of his six spiritual qualities, we should also interact with God and all of creation with these six spiritual qualities. Jesus Christ is the perfect example of this interaction. This book explains the science by which mankind can attain this interaction.

## SEPTINITY AND SERMON

This section is a simplified format that gives you an idea on how you can prepare sermons based on Septinity - The Science of the Godhead.

#### b. How do we contain the Godhead in our faith?

1. We should have faith by accepting the Might of Jesus Christ.
2. We should have faith by accepting the Wisdom of Jesus Christ.

3. We should have faith by accepting the Understanding of Jesus Christ.
4. We should have faith by accepting the Reverence of Jesus Christ.
5. We should have faith by accepting the Knowledge of Jesus Christ.
6. We should have faith by accepting the Counsel of Jesus Christ.

## **PRAYER**

**Definition of Prayer:** “The request made towards the Godhead, in the Name, is defined as Prayer”

## WORSHIP

*Jesus said to her, “Woman, believe Me, the hour is coming when you will neither on this mountain, nor in Jerusalem, worship the Father. You worship what you do not know; we know what we worship, for salvation is of the Jews. But the hour is coming, and now is, when the true worshippers will worship the Father in spirit and truth; for the Father is seeking such to worship Him. God is Spirit, and those who worship Him must worship in spirit and truth.”*

(John 4:21-24)

**Definition of Worship:** “Accepting the Godhead by faith is defined as Worship”.

### **a. How should we worship?**

[For further clarification see the Scientific Aspect of the Titles in page 94 and the Table that shows the **49 facets of Septinity** in page 48]

For the past seventeen years, I was a healer of the sick and preached only the verses that describe the miracles of the Godhead without comprehending Jesus Christ in the true sense. To be frank, I never knew or preached that the Godhead is Jesus Christ or that His name is the Name of the Godhead. But when I understood the Godhead, i.e., **who Jesus is, what Jesus is** and **how Jesus interacts with the Church**, I realized that all such sermons and published materials were just headless bodies.

*And he turned to His disciples and said privately, “Blessed are the eyes which see the things you see:”*

(Luke 10:23)

*“Then Philip went down to the city of Samaria, and preached Christ unto them”.*

(Acts of the Apostles 8:5)

### **FOR THE PREACHERS’ AWARENESS**

The preachers should be careful that they do not become like those who only preach the **Name** and don’t say anything about the **manifestations in the Name**, or like those, who may say all these but don’t speak of the **basic spiritual qualities of these manifestations** or like those, who say all these but don’t speak of the **different states within the Godhead**. In short, leave all the verbiage that have no head or tail and **when you teach, teach the two states of the Godhead, the six basic qualities within it and that they are revealed in the Name. I would contain everything that is said here, by saying “teach Septinity”**.

*“For no other foundation can anyone lay than that which is laid, which is Jesus Christ.”*

(1Corinthians 3:11)

### **THE ADVERSE CONDITION OF COUNTRIES**

Dear ones, just because the preachers hadn’t taught the churches **the interaction based on the spiritual qualities of the Godhead**, the believers have gone

astray as mentioned in Romans 1:1-18. Due to this, many of the renowned churches in many countries are converted to night clubs or bars. We should analyze whether the social activists of these countries are teaching the **interaction based on the spiritual qualities** in the churches to avoid this adverse situation.

Moreover, every country is equally responsible to listen, study and teach a general concept which is beneficial to their citizens.

However, some countries refuse the promotion of Christianity, which has a following of 3 billion people around the world today. This is a **violation of basic human rights**. Mahatma Gandhi, the father of the India, had spoken out on this. He said that there should not be any fences for a home and its doors and windows should always be kept open, so that all cultures can enter. Every person born as a human being has the freedom to choose what he or she drinks, eats, or reads. Similarly, they also have the freedom to choose what they want to listen to and what not to, what to believe and what not to believe, what duties to perform and what not to. This freedom is the right of every individual.

Any nation that interferes with the freedom of choice of its innocent citizens are chaining them mentally, physically and spiritually. If this animosity continues, people will never attain a broad mind and because of

this, those countries will become the stage for ghastly deeds such as terrorism and other criminal activities. These circumstances will make other countries uncomfortable and great wars will result as their reaction to this. This disastrous situation should be avoided and the only leeway for this is: **to give an opportunity to the citizens of these countries to practice the never failing interaction that is within Septinity.**

### **THE CHURCH OF TODAY AND IT'S INTERACTION**

We can say for sure that there is no other concept such as the concept of the Christian Church, for which so much money has been spent, i.e., all over the world billions are being spent for the construction of churches, seminaries, Bible colleges, and organizing conventions and 'crusades' – all in the name of Christ. However, what really happens here is nothing but singing, drumming, reciting fairy-tales, prophesying prophecies that are inarticulate and never fulfilled, healing of the sick to gain popularity and recitation of Bible-stories which perturb the mind - all this under the pretext of "spending all your time and energy for Jesus". They don't teach the Godhead, i.e., who Jesus is, what Jesus is and how Jesus interacts with us and just waste time.

**Due to this, the believers fail to lead a holy life, however hard they try.** To be clearer, they adorn themselves with the cloak of holiness and exert a lot

of unnecessary energy to exhibit this feeling of holiness, instead of understanding how the spiritual qualities within the Godhead can be activated in their lives. It is necessary to teach the Church the interaction based on the spiritual qualities, taught in this book, to avoid these situations.

### **THE CHURCH OF GOD AND THE AUTHORITY BESTOWED UPON IT**

All the authority Jesus has over this world is bestowed upon the Church. See the verses given below that show how this authority is exercised in the world.

1. The authority to forgive sins is given to the Church.  
(John 20:23, Matthew 18:18)
2. The authority to give eternal life is given to the Church.  
(John 17:2, Matthew 18:18)
3. The authority to cast out evil spirits is given to the Church.  
(Matthew 12: 28, Luke 10:19)
4. The authority to remove sickness and handicaps in man, is given to the Church.  
(Luke 9:1, Matthew 10:8)
5. The authority to resurrect the dead is given to the Church.  
(Matthew 10:8, Acts of the Apostles 9:40, 41)

6. The authority over nature is given to the Church.

(James 5:17-18, Mark 4:38-39)

**Note:** When this Godhead which is revealed through 49 facets in accordance with a situation (pg 48), is manifested in us by His grace, we will become witnesses to these miraculous works of these authorities.

The student should know that it is to attract and guide us to this Godhead, or to adorn us with His image, God came into this world in the form of a man and did all these **miraculous works**.

### **WHERE DOES YOUR HEALING COME FROM?**

Healing takes place even among those who have not studied the Godhead. However, these individuals do not gain Christ because they are not aware of the Godhead or they are not aware of **who Christ is, what Christ is** and **how Christ interacts with the Church**. These individuals come for healing without Christ and after they are healed, they leave the same way they came- without Christ (Matthew 7:22-27). Here, the sick should examine the doctrine (source) from which the healing comes from.

*“Take heed to yourself and to the doctrine. Continue in them, for in doing this you will save both yourself and those who hear you.”*

(1 Timothy 4:16)

## IS THE CHRISTIAN TRINITY DIVINE?

When we study history, we learn that in A.D. 325 the Nicea Council<sup>4</sup> of the Church adopted the doctrine represented by the word **'Trinity'** (Trinitarian doctrine) - brought forward by Tertullian<sup>5</sup>. They defined<sup>6</sup> this as the doctrine of the Church and taught<sup>7</sup> the believers to worship Trinity instead of God - who is One. From that day onwards, the holy and pure Christian Church fell from the doctrine of eternal life in the Name of the Godhead.

4. Belief in the father, Son and the Holy Spirit was defined by the earliest general council of churches. This was the First Council of Nicea in 325 AD.

(The World Book Encyclopedia, volume 17, page- 365)

5. As far as is known, the first use of the Latin word 'trinitas' with reference to God is found in Tertullian's Adversus Praxean and 'De Pudicitia'. He was the first to use the term 'persona' in a trinitarian and christological context...

(New Catholic Encyclopedia, Volume-13, page-1021)

6. Some bible scholars interpret the Trinitarian formula to be historic Galilean tradition and the formula in the name of Jesus to be Jerusalem Christian tradition.

(Dhaiva Shastra Sahithya Samithi Prasadheekaranam Vedapusthaka Bhashyam, 2<sup>nd</sup> edition, page 826, column 430)

7. The Catholic belief is to worship the One God in Trinity.

(New International Encyclopedia, volume-22, page-476)

(For An End Time Apostolic Revival by Pastor K.P.Joseph, page-15, 1998 edition)- This footnote is translated from Malayalam

But John 20:31 reveals that eternal life is only in the Name of the Godhead.

*“But these are written that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life **in His name**”*

(John 20:31)

[For further clarification,  
study **Parts A** to **C** analytically]

**Based on the historical evidences seen in the footnotes, the flaws in the doctrine of Trinity are given below in detail for the awareness of the students.**

According to the doctrine of Trinity, God exists as the **personalities** of the Father, the Son and the Holy Spirit. At the same time, the Trinitarian imagination teaches further that these three are equal and these three exist together in a state called the ‘**Triune God**’.

The epitome of the Trinitarian doctrine - the Triquetra is given in the next page so that this will be made clearer to you.

## THE TRINITARIAN EPITOME

**But who is the Father?**

**Who is the Son?**

**Who is the Holy Spirit?**

**Who is this Triune-God who exists in a single state as these three remain united?**

**What is the Triune-God?**

**How does the Triune-God interact with us?**

The Trinitarian teachers have never answered these questions on the basis of the Bible. Moreover, no one has confirmed the **state**, **nature** and **name** of this Triune-God till this very day.

In short, no one has scientifically understood or defined “**the first of all the commandments**” documented in Mark 12:29, which is “**The Lord our God is one Lord**”, on the basis of trinity, by giving priority to this fact till this very day.

*“They understand neither what they say, nor whereof they affirm”*, as it is said in 1 Timothy 1:7, shirking from their responsibilities and frightening men by saying that “the Father, Son and the Holy Spirit is a mystery”. **This will be made evident to you if you carefully scrutinize their speeches.**

We should remember one thing; the papal church has hidden itself inside the word “mystery” (secret), viz, **the mystery of the Trinity**, the mystery of the new life in baptism, the mystery in the transfer of property, the mystery in the lamp of the altar, the mystery in confession and so on. Everything is a mystery to the Babylonian and the Papal religion. **Many are intoxicated with the wine of this mystery.**

Nowhere in the Bible has it ever been said that Trinity is a mystery. At the same time, **Christ, who was a mystery for ages and generations**, is not a mystery anymore to the New Covenant Church. **Christ himself has revealed who He is, what He is and how He interacts with us.** This has been stated in Colossians 1:26, 27 and in Ephesians 3:4, 5.

*“Even **the mystery** which hath been hid from ages and from generations, but now is made manifest to his saints:*

*To whom God would make known what the riches of the glory of this mystery among the Gentiles; which is Christ in you, the hope of glory:"*

(Colossians 1:26, 27)

*"By which, when you read, you may understand my knowledge in the mystery of Christ,*

*which in other ages was not made known to the sons of men, as it has now been revealed by the Spirit to His holy apostles and prophets:"*

(Ephesians 3:4, 5)

Nowhere in the Bible has God been addressed as the Triune-God. However, **Matthew 28:19**, the verse which in fact was "put into the mouth of Jesus<sup>8</sup>" was used to defraud water baptism itself (which was performed during the earlier period of the Church) so that the Trinitarian doctrine, the '**world's religious system**', can be taught as the doctrine of the Christian Church. **Apart from this verse, no other verse can be seen to support the doctrine of Trinitarian baptism.** You will be able to see that the

---

8. Everywhere in the oldest sources it is stated that baptism takes place "in the name of Jesus". For the first time in the relatively later chapter of St. Matthew's Gospel the command to baptize with the trinitarian formula (in the name of the Father, Son and the Holy Spirit, Matthew 28:19) is put into the mouth of Jesus.

[Encyclopedia Britannica, volume-13, page-82, Edition 1953]

construction and meaning<sup>9</sup> of this verse is “out of place”. This fact will be clarified after studying this book.

*“How can you say, ‘We are wise, and the law of the Lord is with us’? Look, the false pen of the scribe certainly works falsehood”.*

(Jeremiah 8:8)

At the same time, we can see a lot of other verses in the Bible that may seem to have the flavour of Binity in the eyes of the worldly man, but are not Binity in meaning. The Bible does not hint at **Binity** or **Trinity**, on the contrary, it proclaims the **Godhead**.

[For further clarification, study **Parts A** to **C**]

Sir Isaac Newton, the founder of Modern Science and Astronomy and the father of Gravitational Theory never agreed with the doctrine that imagined God as three personalities, such as the Father, Son and the Holy Ghost (Trinitarian doctrine). He had also pursued the crux of the One-God in the Bible for many years. This can be understood from his manuscripts.

---

9. The original form of words was ‘into the name of Jesus Christ’ or ‘the Lord Jesus’. Baptism into the name of the trinity was a later development. After the one mention of it, Matthew 28:19, we do not find it again until Justin Martyr, and his formula is not identical with that in the gospel.

[Dictionary of the Bible, Volume-1, page 241]

## DIFFERENT TYPES OF THE TRINITARIAN IMAGINATION

Babylonian	Nimrod Semiramis Tamus
Egyptian	Serapis Isis Horus
Indian	Brahma Vishnu Shiva
Roman	Juno Jupiter Minerva
Scandinavian	Ho Hutsipuktli Talok
Mithra	Ahura Mazda Mithra Anashitha

We should not be trying to find out what **Oneness** or **Trinity** is, instead, **we should know the Godhead** (Colossians 2:9). If we know this, we will have knowledge of everything else. However, this group has attained the sobriquet **‘Jesus-Name-Pentecostals’ without understanding the Godhead.** There is actually no meaning in being called ‘Jesus-Name-Pentecostals’ because **anyone can christen themselves with a ‘name’ or a label.**

In this opportunity I would like to share one of my personal experiences with you. Some years ago, I was speaking with great reverence of the Name of Jesus, to a businessman in his office. While I was explaining, he told me that the name ‘Jesus’ was a common name among the Jews before and after the birth of Jesus. After this conversation with him, I understood that there is no point in just going around and speaking about the name of Jesus.

Jesus himself said that *“many will come in My name, saying, ‘I am the Christ,’ and will deceive many”*. So, it is not just proclaiming the name that matters; the crux actually lies in teaching the Church the scientific aspect of experiencing the godly mystery, which is, **‘Who Jesus is’, ‘What Jesus is’ and ‘How Jesus interacts with the Church’** or in other words the Church should be taught the Godhead. You will also understand this after you study this book. Halleluiah!

## **PART – C**

### **SEPTINITY AND COUNSELLING**

Man is a social being. So, a secluded life is impossible for him. That is why he gives great importance to the word 'relationship'. At the same time, he is constrained because of his relations. However, this has led to the formation of society. (For example: Apart from blood relations such as parents & children, husband & wife and siblings, the relationship between the teacher & the student, colleagues, superiors & subordinates, doctor & patient can also be added to the classification of relationships.)

The initiation of a relationship between two individuals never happens with the snap of a finger. It is a step-by-step process, and this activity takes place throughout the life of a person.

If we observe relationships, we can see that it is also a cyclic phenomenon. Hence, we cannot conclude that relationships are concentrated on a single individual or an object. There is a science that operates in the background and this science is the same in all relationships.

I will elaborate this with an example: A person looks at a flower. At first sight it seems beautiful to him. The flower becomes more and more familiar to him as he looks at it everyday. This familiarity becomes a

desire towards that flower. This desire creates an emotional attachment to the flower. Now this individual is 'in love' with the flower. His next attempt is to own what he loves. In the end, he gains it by plucking it. He relishes what he has gained and then discards it. This is the last stage. In this stage he forms an aversion towards the flower. To a certain degree every characteristic formed in man can be traced to this theory.

This behaviour is not just towards an object; it is the same in the case of love towards an individual also. However, there is a variation in the love factor in each individual, for each individual is different from the other. This is the reason an individual does not love the same person or object with the same intensity as the other does. This variation is necessary for the survival of society. Here, we can observe the brilliance of God's creation.

Even if there is an absence of consensus, we maintain relations as we consider it necessary for our survival. Because of this, we will have to overcome a lot of problems, and in certain situations we fail.

This is how relationships are formed and discarded. At the same time, man is satisfied both mentally and physically when he gets his desired individual or object, because physical and mental health are related to each other just like the two sides of one coin.

Even though breaking up of relationships causes discomfort to everyone in the same level, some get affected deeply and many of them fall into mental problems like depression and seclusion, and this leads to physical health problems. In short, the slightest variation in the mental atmosphere of an individual can lead to the loss of control over his body and mind. This is the state of the human mind.

If we were to account for the mind, we can say that the mind is a collection of thoughts. Thoughts are the result of the combined reactions within the brain. In short, the mind represents the personality of a person.

Not every individual or mind is the same. Some are hard-hearted while some are soft-hearted. They tend to fall into mental problems due to the discomfort felt when changes occur in certain situations. The main cause of this is the difference in the handling of adverse situations.

Most people do not understand this, that is,

1. The onset of mental problems in an individual.
2. How they are manifested.
3. The circumstances that lead to its development.
4. The extent of this development.

Man can never find the answers to these questions because no one else, other than the creator, can read the human mind completely.

## **THE HELPLESSNESS OF MODERN MAN**

Man has got relief from mental disorders to a certain extent because of the latest discoveries in the field of medicine. The modern methods of treatment by the increasing population of psychologists & psychiatrists have also helped out a lot. However, man is still searching for the complete cure.

At the same time, all the medications used to alleviate mental diseases lead to some sort of side effects. When these medications are discontinued at some point of time, it leads to other complications such as withdrawal symptoms. However, we should always remember that medications should be taken whenever it is necessary.

Today's world is growing at a very fast pace. Corporitisation, scientific & technological advancements and urbanization are undeniably the greatest achievements of mankind in this century.

It is true that change is unavoidable. But many a time, man finds it difficult to keep pace with these changes and because of competition, he is expected to make use of his resources and talents to the

maximum. For this reason, he is always in the midst of turbulence. In short, life tends to be very difficult for him to live and in the end it comes to a standstill.

Due to these circumstances, he tends to forget his relations and society. This situation proliferates and begins to destroy man and society as a whole. This is when we see small quarrels turning out to be great wars.

## **THE BIRTH OF COUNSELLING**

The history of mental disorders is a long one. Emotional disturbances among Christians during the early days were considered to be satanic persecution or the result of sin. This belief is still prevalent in some societies. It was always considered the responsibility of the elder of the church to find the solution to this. Even though people got relief from these disturbances to a certain extent because of their incessant prayers and fulfillment of vows, they never got cured completely and some of these disorders swallowed these individuals.

Since the developing society knows very well that it cannot solve its own problems, human beings tend to share their problems with each other to get some sort of relief. In short, human beings discuss their problems with one another.

As each generation arose, society realized its helplessness and moulded talented individuals to provide solutions to its problems. This gave counselling a good ranking among other branches of science, making this concept famous among people.

Even though a major population has realized the potential and uses of counselling, this branch of science has not been made much use of till recently. Had it been developed earlier, it would have prevented many mental disorders and would have destroyed the existing ones.

To make this possible, we should first of all know what counselling is. We should also know its uses and benefits.

Above all, we should have dedicated individuals as counselors just as a doctor dedicated to treat the sick or as a teacher dedicated to teaching students. We should also be aware of the advantages of having a counselor and his position in society.

Realizing this, the scientific society has increased the population of psychiatrists and psychologists than before, but their services have not been of much use to society. **This maybe because the clients have not attained the correct mode of interaction from their counselling sessions or because of society's general lack of awareness on the potential of counselling.**

## **THE DEFINITION OF COUNSELLING**

The famous psychologist, T.H. Patterson, has defined counselling as the special and continuing relationship between a person undergoing mental turmoil (the Client) and the person with technical knowledge to help this individual.

### **Features:**

- Ø This is a service.
- Ø The session does not end quickly.

- Ø This is a continuous process.
- Ø It continues until the person who has come for help has recovered completely.
- Ø This is a psycho-therapy.

## **THE NEED FOR COUNSELLING**

We are living in difficult and troublesome circumstances, and we also know that a major reason for the fall of an individual is the dissolution of his relationships. Therefore, each individual should find out the reason for his failure and make use of counselling at the right time. Thus, the scope of counselling will prevail in many fields such as psychiatry, education, orphanages & old age homes, art, business relations, industries, health services - just to name a few. At the same time, the path of the one who does not heed to advice is not straight; he is seized by darkness and is always on the route to destruction.

I presume you have seen the different reasons for mental disorders. Since these can affect anyone, any time, it may have affected you also. Are you able to overcome them, and come out of it? If you are, you are victorious. If not, it is advisable to submit yourself to counselling.

Man is susceptible to disaster whenever the right mode of interaction is missing in him. So, what exactly

is the right mode of interaction, so that we can avoid this situation? *“Actions manifested on the basis of the spiritual qualities is said to be the right mode of interaction”*. In short, practice Septinty. With this, you will be complete!”

### **WHO IS IN NEED OF COUNSEL?**

An individual or his relations should know about the circumstances in which a person may need counselling. That is

1. When a person cannot diagnose or trace the problem he is facing.
2. When a person realizes he is in trouble.
3. When a person cannot find the solution to his or her problem.

### **COUNSELLING – A PSYCHOTHERAPY**

Psychotherapy is a method of treatment. As a counselor and a client establish a therapeutic relationship, the client’s mental disorders are cleared either partially or completely, and a solution to his or her present problem is construed. Through this, a new mode of behavior is instilled in the client and he himself can gain victory over his problems, thereby, attaining development in his personal & public life.

In psychotherapy, not only the client but also his family or caretakers should cooperate during the

treatment. This is because they will also be able to understand the pain the client is undergoing, and by this, they will be able to ensure that the treatment brings forth acceptable behavioral changes in the client's life. It is their responsibility to create a favorable environment.

Today, there are different types of psychotherapies catering to the needs of the client.

Counselling can be viewed as a good psychotherapy. Its benefit relies on establishing a good relationship between the client & the counselor. Cooperation from both sides is equally required.

At the same time, the client's bystanders, such as his family, friends and society should be equally cooperative with both of them. Only then can the client be self dependent.

## **THE RULES OF COUNSELLING**

For the success of counselling a few rules should be maintained.

1. The place and time should be arranged.
2. Respect the difference between male and female clients.
3. Ensure punctuality.
4. Ensure and maintain privacy.

5. Respect the personal freedom of the client.
6. Respect this profession.
7. Extinguish dependency.
8. Avoid arguments.
9. Never harbor any negative motives.
10. Maintain general customs and tradition.

## **THE STAGES OF COUNSELLING**

Counselling is a service that is to be done with absolute attention and dedication. With the help of their knowledge and experience in this field, counselors are able to serve their clients with unmitigated care.

Given below are the stages of counselling. This will enable society to counsel individuals with ease in any circumstance.

1. Individuals approaching you for counsel may have come to you through different channels. You should maintain the privacy of the individual irrespective of these channels.
2. Begin the session.
3. Allow the client to present his case.
4. Explain the condition of the present problem to the client.
5. Allow the client to adjust to his problems.
6. Prepare the client to tackle his issue.

7. Provide the solution to his problem.
8. Walk the client through the correct mode of interaction.
9. Induct him to society.
10. Explain the need for further treatment(sessions).
11. Prepare a self-control regimen for the client to practice.
12. End the session.

### **WHO IS A COUNSELOR?**

Given below are the qualities of a good counselor.

1. Matured personality.
2. Technical and medical know-how.
3. Experienced.
4. Dedication.
5. Good communication skills.
6. Loyalty.

### **THE THINGS A COUNSELOR SHOULD REMEMBER**

1. The counselor should never expect material gain.
2. Discard any selfish motives.
3. Never counsel to gain popularity.
4. Do not manipulate a client to attain your goals.
5. Never be arrogant.
6. Never be emotionally attached to a client.

Even though the branch of counselling has developed to a great extent, the lack of good counselors is still prevalent in our society. It does not mean that you are a good counselor if you grow your hair & beard and sit in an arm chair. However, in the eyes of society, they are always considered to be intellectuals.

You should be aware of one fact: if you have attained good counselling skills or if you know how to overcome a problem, you can survive in this world without the help of a counselor.

## **COUNSELLING BASED ON THE SPIRITUAL QUALITIES**

When we read the Word, we will be able to see that man has deviated from the track, related to every area of his life, leaving him to suffer every possible way - making him equivalent to junk.

**Man has to be regained from this situation. This is where the role of counselling comes into play. We cannot lead a healthy life without counsel. This will lead us to think on the topic of health. What is health? It is not just the absence of sickness or infirmities. It is the perfection in the state of man's physical, mental, spiritual and social interactions.**

After I understood Septinity, I have made use of the counsel within it and by the grace of God, I have counseled a lot of individuals. I was astonished when I saw Jesus changing them right before my eyes; they were changed - physically, mentally and spiritually. This is because Jesus Christ is the 'wonderful Counselor' (Isaiah 9:6).

Have a look at the verses given below and you will have an idea as to how you can practice this counselling.

1. Paul (Saul) was counseled by the Spirit of might and was transformed for the ministry of the Godhead **(a)**.  
(Acts of the Apostles 9:17)
2. The Jews were counseled by the Spirit of wisdom and were astonished when they saw the works of the Godhead **(b)**.  
(Matthew 13:53, 54)
3. Nicodemus was counseled by the Spirit of understanding and was brought closer to the Godhead **(c)**.  
(John 3:4-6)
4. The Samaritan woman was counseled by the Spirit of reverence and was made to worship the Godhead properly **(d)**.  
(John 4:1-29)

5. The Sadducees were counseled by the Spirit of knowledge and were made aware of the resurrection in the Godhead (**e**).  
(Matthew 22:23-33)

6. Nathaniel was counseled by the Spirit of counsel and was strengthened by the Godhead (**f**).  
(John 1:44-51)

The student should know that the counsel within the Godhead is more important than all other subjects. The Apostle Paul speaks about this in Hebrew 6:1-2

*“Therefore, leaving their discussion of the elementary principles of Christ, let us go onto perfection, not laying again the foundation of repentance from dead works and of faith toward God,*

*of the doctrine of baptisms, of laying on of hands, of resurrection of the dead, and of eternal judgement.”*

To have a clearer understanding of the word “*perfection*”, see the table that shows the **49 facets of Septinity** in page 48 and **Septinity and Interaction** in page 93.

In short, if we understand that Jesus Christ is the Godhead and accept him because of this, we will be complete. This is shown in the verse given below.

*“For in Him dwells all the fullness of the **Godhead** bodily;*

*and you are **complete** in Him, who is the head of all principality and power.”*

(Colossians 2:9, 10)

Instead of teaching this great **Godhead**, the present day Christian organizations do a lot of things contrary to the Bible so that they can divert everyone’s attention from the Godhead. This is similar to plugging a hole with darkness. For instance, they are taught to worship idols, the use of footwear is forbidden, archaic dress codes which cover the body all the way to the fingertips are imposed on the ministers, the ministers are restricted to marry; these are just to name a few. They do a lot of other blunders also in the guise of worship.

They are scaring the innocent believers and driving them away from the Godhead with these stupidities. Due to this, the believers end up with mental disorders such as confusion, sadness and depression and in the end they are ostracized from society. The worst part is that the leaders of the Church don’t have the know-how to counsel these issues with the knowledge of the Godhead.

Dear ones, if we are to receive the counsel within Septinity – The Science of the Godhead we will attain **freedom of the mind**, and because of this, not only the problems that beguile the Christian Church, but also **the increasing sectarian violence** that can be compared to a war between animals, the alarming rate of **suicides** and moreover, the use of **nuclear weapons** (which is capable of complete annihilation of the world within the snap of a finger), can be wiped out completely and the Kingdom of God, the answer to Jesus Christ's prayer will be revealed on this earth. Hallelujah!

This system of counselling has 49 facets. This has never been scientifically developed on the basis of the Holy Bible (which is the source of counsel) by any author till this very day.

**To be complete in this counsel,**

1. Study the Godhead.
2. Practice what you have studied.
3. Habituate this practice.
4. Characterize this habit.

By this you will attain the Godhead. I pray to Lord Jesus to help each student in this. Amen.

## THE PARADIGM OF JESUS CHRIST'S PRAYER

Observe the paradigm of Jesus Christ's prayer for this Godhead to take form in us.

The number  
that represents  
the fullness of  
the Godhead

*“After this manner,  
therefore, pray: Our  
Father in heaven,  
Hallowed be Your name.*

*Your kingdom come. Your  
will be done on earth, as  
it is in heaven.*

*Give us this day our daily  
bread.*

*And forgive us our debts,  
as we forgive our  
debtors.*

*And do not lead us into  
temptation, but deliver us  
from the evil one. For  
Yours is the kingdom and  
the power and the glory  
forever. Amen.”*

### **Explanation:**

(Matthew 6:9-13)

Here, in the 10th verse, *“Hallowed be the name of **a1**, the kingdom of **a1** come, the will of **a1** be done on earth, as it is in heaven ....Amen”*

In short, **a2** prayed for the will of **a1** to be done on earth as it is in heaven so that the Church will take form through Septinty.

*“Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go by it.”*

(Matthew 7:13)

## **CONCLUSION**

I have said earlier that even though Septinty – The Science of the Godhead is an arduous and an inscrutable subject to comprehend, you will be able to understand it by studying it profoundly and prayerfully.

After studying and practicing this science, the perceptivity of the senses of an individual will be very powerful. This is because any man who is moulded by the Godhead, will be complete in everything. This science has been given form, to resurrect every area of man, such as his physical, mental, spiritual, social and cultural realms. Therefore, the individual will be free from all self-centered thoughts and will live a life led by the view that the whole of humanity is a family.

However, to attain this, the student should have the special ‘eyes’ of the seven spirits of God as mentioned

in Revelation 5:6. I have the ardent hope that you will achieve this after studying this book. This is the reason this book had been opened to the whole world selflessly. Above all, I pray that this will be an asset that leads your path to eternity.

Since this subject is based on the Bible and for this subject to remain permanently in your minds, the formula of Septinity is placed within an open Bible and is given below as the emblem of Septinity - The Science of the Godhead.

“I declare to you that if anyone takes off or adds a jot or a tittle to Septinity - The Science of the Godhead, that person will be worthy of the judgement of Jesus Christ”.

## **BENEDICTION**

*“The grace of our Lord Jesus Christ  
be with you all. Amen.”*

(Revelation 22:21)
